Market-defining since it was introduced, International Business: Competing in the Global Marketplace by Charles W. L. Hill, sets the standard, and is the proven choice for International Business. Hill draws upon his experience to deliver a complete solution, and has partnered with G. Tomas M. Hult from Michigan State University to continue to deliver a program that is:Integrated▯Integrated Progression of Topics with Results-Driven TechnologyPractical▯Focused on Practical Applications of ConceptsRelevant▯Timely, Comprehensive Coverage of Theory

Market-defining since it was first introduced, International Business 8e by Charles W. L. Hill, continues to set the standard for international business textbooks. In writing the book, Charles Hill draws on his experience in teaching, writing, and global consulting to create the most thorough, up-to-date, and thought-provoking text on the market. Because many issues in international business are complex, the text explores the pros and cons of economic theories, government policies, business strategies, organizational structures, etc. Hill▯s: International Business is known for its strong emphasis on strategy, and for maintaining a tight integrated flow between chapters. Hill▯s book is practical in nature, focusing on the managerial implications of each topic on the actual practice of international business. The author▯s passion and enthusiasm for the international business arena is apparent on every page as he strives to make important theories interesting, informative, and accessible to all students.

"'International Business' addresses the strategic, structural and functional implications of international business in firms around the world."--Source inconnue.

Enriched with maps, photos, and the most up-to-date world data, this text boasts the collective expertise of five authors with firsthand international business experience, specializing in international management, finance, law, global strategy, and marketing a claim no other text can make. International Business: The Challenge of Global Competition 13e by Ball, Geringer, McNett, and Minor continues to be the most current, objective and thorough treatment of international business available for students. Enriched with colorful maps, photos, and the most up-to-date world data, this text boasts the collective expertise of four authors with firsthand international business experience, specializing in international management, finance, law, global strategy, and marketing ▯ a claim no other text can make. In addition, each new copy of International Business 13e includes access to CESIM ▯ an interactive IB simulation developed for industry professionals. Ball et al is the only textbook on the market which features access to CESIM. Only Ball, Geringer, McNett and Minor can offer a complete view of international business as diverse as the backgrounds of business students.

Charles Hill▯s Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT▯s concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world
