YEAH, I MADE IT MYSELF is all about DIY fashion, aimed at women who are passionate about clothes, and would love to create something of their own, but who are unsure of how to get started. Farry isn't a fashion designer, or professional seamstress, but she can cobble together a DIY summer wardrobe faster than you can say pearl-two. She's made most of her own clothes for years, to much acclaim. When people learn that she makes her own clothes they say, 'I wish I could do that.' And her immediate response is, 'You easily could, I could teach you in a few hours.' For a few months, when she was a contributing editor at ELLE, she ran a featurette that showed how to make key catwalk accessories using stuff bought from the local haberdashery. The feature was very popular - the basic premise

being 'If I can do it, anyone can.' The ideas are accessible and adaptable - it's all about creating an individual look, experimenting with ideas and laughing if it all goes a bit lopsided. Innovative, young designers provide insider tips. There are also inspirational, crafty tales from friends who've come up with their own easy-to-make designs, despite not having a fashion degree. YEAH, I MADE IT MYSELF is practical, with pom-poms.

The co-host of shows on both HGTV and the DIY Network explains how to add personality and fashion sense to your t-shirts through embellishment and customization with a focus on cutting, stitching, embroidering, dying and adding rhinestones and ribbons. Original.

Fashion designer Bridgett Artise believes in second chances—a philosophy that extends all the way to her clothing line, B. Artise Originals. Fashion gave her a second chance at happiness and success, and, in turn, she gives vintage garments that have lost their luster another chance at being fashionable. Mixing contemporary clothing with the best elements of a vintage piece—like the collar of a funky fifties housedress or the pockets of a seventies-style jacket—and piecing them back together in a whole new way, she creates one-of-a-kind garments that are both trend setting and timeless. An old-fashioned ruffled shirt with terrific buttons, plus an inexpensive tank top, can become a unique top. A poodle skirt and that so-last-year's knee-length cardigan sweater can be turned into anything from

a mini-poncho to a structured tube top. With fashions for every season, Born-Again Vintage contains patterns for:

- Pants that pair perfectly with winter boots and a sweater dress that's sexy and simple
- A cropped jacket + sweater corset that are perfect for a flirty spring fling
- Dresses + bags to keep summer easy and breezy
- Pretty-in-a-blink dresses + accessories for a big night out

Born-Again Vintage updates the trends of fashion eras gone by and brings the unparalleled quality of vintage into a new age. Complete with a vintage shopping guide, handy style tips, and ideas for reinventing disused cast-offs, Born-Again Vintage is a must-have for vintage shoppers and sewers alike.
