~~A Different Night, the Family Participation Haggadah ...~~

We encountered the "A Night to Remember" haggadah at a community seder at a Jewish Community Center. At home, we use the old yellow-and-reds; they are nostalgic, if nothing else, and we own about two dozen of them. During the community seder, I was fascinated by this haggadah, and afterwards bought a copy so I could read it properly.

Directed by Roy Ward Baker. With Kenneth More, Ronald Allen, Robert Ayres, Honor Blackman. On its maiden voyage in April 1912, the supposedly unsinkable RMS Titanic hits an iceberg in the Atlantic Ocean.

Sequel to A different night: the family participation Haggadah.

Hebrew and English text with new commentary and essays. Rabbi Silber has given us two books in one: the Haggadah itself, in English and Hebrew, with his seder commentary and a collection of essays that provide close readings of the classic biblical and rabbinic texts that inform Seder-night ritual and narration. Both parts work beautifully together to illuminate the central themes of Passover: peoplehood, Covenant, our relationship to ritual, God's presence in history, and other important issues that resonate with us all. Just as midrash attempts to bridge the gap between ancient text and contemporary meaning, Rabbi Silber's Haggadah provides new sources of insight that deepen the Passover experience for today's readers.

Presents the story of Passover along with the customs and traditions of the Passover seder, illustrated with cartoons and written in a humorous style to appeal to both children and beginners.

Arthur Szyk (pronounced "Shick") created his magnificent Haggadah in Lodz, on the eve of the Nazi occupation of his native Poland. There is no Haggadah like it, before or since, filled with sumptuous paintings of Jewish heroes and stunning calligraphy. This edition, the first since 1940 to be reproduced from Szyk's original art, boasts a newly commissioned and extremely practical English text by Rabbi Byron L. Sherwin, ideal for use at any family Seder, and a special commentary section by Rabbi Sherwin and Irvin Ungar gives insight into both the rituals of the Seder and Szyk's rich illustrations. The Szyk Haggadah will transform the Seder, bringing the story of the Exodus from Egypt into a more contemporary light.

Haggadah & History is much more than a history of the Passover story. It is also a mirror of the last five centuries in Jewish history as reflected in the haggadah itself. Two hundred facsimile plates reproduce representative pages from rare printed haggadot in two of the world's outstanding Judaica collections: the libraries of Harvard University and The Jewish Theological Seminary. This visual history is complemented by Professor Yerushalmi's fascinating historical introduction and richly detailed place descriptions. The result is a rare blend of scholarship and art.

A book interweaves original writing with traditional Haggadah, prayer book, music, and biblical texts, as well as with midrash (rabbinic stories and commentaries) in order to enhance the understanding of the rituals of the Passover Seder.

Every year, poet and novelist Marge Piercy creates her own Passover seder with a group of family and friends. Babies have been born and grown up, friends have moved or divorced, but the principals continue to gather in her rustic Cape Cod home to participate in a seder that Piercy takes joy in tweaking each spring to make it more meaningful. In this journey through the ritual, Piercy coaxes us toward "a significant contemporary interpretation, rather than an emphasis on what is strictly 'correct' or traditional." She reminisces about her grandmother, who thought herself unworthy to lead a seder because of her limited Hebrew but presided "morally" at the table; she urges adding an orange to the seder plate; she even describes her heroic efforts to make her own gefilte fish (an experiment not to be repeated). Piercy offers her distinct slant on each element of the feast and provides dozens of her own wonderful recipes, which she delivers in the same warm, commanding voice as is heard in her poems and prose: "When I told Ira that I was going to explain how to cook matzoh brei, he thought I was crazy. Everybody knows how to make matzoh brei, he said. But I am of the opinion that there is no longer anything that everybody knows how to cook." It is in that spirit—no question too simple—that Piercy welcomes readers to her kind of seder: a homemade and personal affair, the kind we all wish we could attend. This charming and instructive book of Passover wisdom, brimming with favorite dishes and Marge Piercy's own moving Passover poems and blessings, invites us to look at an important Jewish ritual in a whole new way.

The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus. The Passover Haggadah provides the script for the meal and is a religious text unlike any other. It is the only sacred book available in so many varieties—from the Maxwell House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah. She discusses the book's origins in biblical and rabbinical

literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed Haggadot, and even one featuring a popular television show, The Marvelous Mrs. Maisel. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all.

Exodus in the Jewish Experience: Echoes and Reverberations investigates how the Exodus has been, and continues to be, a crucial source of identity for both Jews and Judaism. It explores how the Exodus has functioned as the primary hermeneutical model from which Jews have created theological meaning and historical self-understanding.
