Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery, the television channel itself persists. If anything, the television channel landscape has become more complex to navigate as viewers can now choose between broadcast, cable, streaming, and premium services across a host of different platforms and devices. From Networks to Netflix provides an authoritative answer to that navigational need, helping students, instructors, and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels and cable outlets like Freeform and Comedy Central, and critiques of broadcast giants like ABC and PBS, this book offers a concrete, tangible means of exploring the foundations of a changing industry.

Biblical, evangelical, and orthodox, The Concise Guide to Today's Religions and Spirituality supplies readers with a comprehensive, A-to-Z information source. Supported by the trustworthy research of Watchman Fellowship and its president, James Walker, its thousands of entries give the basics needed to evaluate spiritual belief systems, movements, and phenomena--Christian, quasi-Christian, and non-Christian--and the people connected with them. Definitions, descriptions, and cross references pack the maximum useful information into concise form, as in these examples: Adler, Margo: A witch affiliated with the Covenant of the Goddess, the second-largest coven in the United States. Adler wrote the highly influential book Drawing Down the Moon. See GODDESS, WICCA. Bioenergy: NEW AGE practice of healing, in which life-energy is balanced by opening blocked meridians. See HOLISTIC HEALING. A great resource for individuals--parents, church leaders, counselors, friends who want to give sound advice--as well as for study groups and church libraries.

An illustrated guide to surfing for women of all ages provides clear, easy-to-follow instruction and helpful advice on what kind of surf equipment to use, how to read the local wave patterns and catch the right wave, surf etiquette, technique and form, and more. Original. 15,000 first printing.

Even though the Windows Media Center interface is simple to operate, not all activities are intuitive or easy to implement. You may need help determining which type of Media Center PC to buy, or with connecting and configuring the Media Center PC in your home theater system. Creating a Digital Home Entertainment System with Windows Media Center book brings the experience and expertise of The Green Button (the premiere Media Center website) and author Michael Miller to help you plan, use, and troubleshoot your new Media Center PCs and get the most out of Windows Media Center Edition.
