This fascinating autobiography recounts the story of the author's long and distinguished life, from his birth in south-east London in 1912 through to a colourful career in the diplomatic service and beyond. Showing considerable promise as a student, K. D. Luke thrived within the educational system and went on to attend Oxford University from 1933 to 1935. An aptitude for languages and a strong desire to travel led to his enrolment with the Malay Education Service; so it was that he found himself teaching at the Malay College at Kuala Kangsar. By 1941, however, World War II caught up with Malaya; the author, along with all other expatriates still resident in the region, was taken as a prisoner of war by the Japanese and forced to work on the infamous Thai-Burma Railway. Reunited with his wartime bride, Phyllis, when hostilities ceased, Kenneth's career blossomed, with headships of two Malay schools followed by various appointments, working for the British Government and later the UN, utilizing his expertise in education all over the world, including the USA, Africa, Laos, Israel and many other areas. The overwhelming impression given in this book is that of the author's humanity in the face of many challenging situations. In particular, his description of his years as a prisoner of war is deeply moving, though never melodramatic. Equally interesting are the insights we are given into the world of international diplomacy, from the personal relationships built up and treasured to the elegant cocktail parties.

Waikiki has always been a special place to the people of Hawai'i, but in recent years its mana, or spirit, has been lost--or more correctly--forgotten. The restoration of mana, requires looking back to the history of the community. To this end, George Kanahale, one of Hawai'i's most distinguished historians, has written the first comprehensive history of Waikiki. Dr. Kanahale describes the prehistoric origins of Waikiki and its cultural, economic, and political evolution. Once an important center of Hawaiian civilization, Waikiki collapsed in the wake of Westernization long before it became a popular tourist destination. Kanahale weaves an intricate and fascinating story using myths and legends, archaeological and other scientific findings, and the works of Hawaiian historians and scholars. Waikiki 100 B.C. to 1900 A.D. will give readers a new sense of place and appreciation for Waikiki.

In this third book in the Gifts of Freedom series, you will find total joy, peace, and abundant life as you discover how to unwrap the gifts of: Increase Where, how, and why is there increase? How do you get the good kind? Your Destiny How do you find your destiny? Relationship How do relationships complete you and your destiny? The God of the Trinity Tapping into His wholeness. The Spirit How do your gifts bring life to your life? How do you find your gifts? Therefore know that the Lord your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments (Deuteronomy 7:9).

Text and illustrations present the well-known song about baseball games.

It's the height of the Cold War. The Air Force Sixth Weather Squadron (Mobile) chases tornadoes, tracks weather systems, and provides upper atmosphere weather data for dangerous South Pacific missile detonations. What happens when love and other adventures enter the mix? Sixth Weather warrior Luke LaCrosse roars into manhood by monitoring

tornadoes and nuclear tests, surviving a near-fatal accident in Hawaii, and flying Vietnam missions "" while seeking the lifelong love of high school sweetheart Lacy De'Luca. Tracking the Skies for Lacy follows their romantic obstacles "" family concerns, military service, distant locations "" to a climactic river-rafting trip. Their navigation through a decade of challenges forms the beauty, faith, adventure and redemption that make Tracking the Skies for Lacy an engrossing "" and harrowing "" romantic adventure.

When Amelia Earhart disappeared on July 2, 1937, she was flying the longest leg of her around-the-world flight and was only days away from completing her journey. Her plane was never found, and for more than sixty years rumors have persisted about what happened to her. Now, with the recent discovery of long-lost radio messages from Earhart's final flight, we can say with confidence that she ran out of gas just short of her destination of Howland Island in the Pacific Ocean. From the beginning of her flight, a series of tragic circumstances all but doomed her and her navigator, Fred Noonan. Authors Elgen M. and Marie K. Long spent more than twenty-five years researching the mystery surrounding Earhart's final flight before finally determining what happened. They traveled over one hundred thousand miles to interview more than one hundred people who knew some part of the Earhart story. They draw on authoritative sources to take us inside the cockpit of the Electra plane that Earhart flew and recreate the final flight itself. Because Elgen Long began his own flying career not long after Earhart's disappearance, he can describe the equipment and conditions of the time with a vivid first-hand accuracy. As a result, this book brings to life the primitive conditions under which Earhart flew, in an era before radar, with unreliable communications, grass landing strips, and poorly mapped islands. Amelia Earhart: The Mystery Solved does more than just answer the question, What happened to Amelia Earhart? It reminds us how daring early aviators such as Earhart were as they risked their lives to push the technology of the day to its limits -- and beyond.

A Lamb Among Lions is the story of Thomas "Luke" McKinney's tragic fall from grace into the dark world of drug addiction, his miraculous rescue from hell by a warrior angel sent from Heaven, and his redemptive mission into a new life of sobriety and service. The author tells the story in third-person subjective narrative, giving the reader the unique perspectives of heaven, hell, and humanity using characters from the Kingdom of Light and Kingdom of Darkness who do battle for Luke's soul, awarding him freedom from the bondage of addiction and his lifelong desire for happiness. His journey and search for purpose open the door to intimacy and extraordinary encounters with his Creator, which take him beyond anything he could have imagined.
