USAs historie indtil 1996

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Note: this is the ebook/epub/ipad version.

NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw "Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's history."—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From "The Star-Spangled Banner" to "Born in the U.S.A.," Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. Songs of America explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as "My Country, 'Tis of Thee," "God Bless America," "Over There," "We Shall Overcome," and "Blowin' in the Wind." As Quincy Jones says, Meacham and McGraw have "convened a concert in Songs of America," one that reminds us of who we are, where we've been, and what we, at our best, can be.

A groundbreaking account of the American Revolution—from the bestselling author of American Dynasty In this major new work, iconoclastic historian and political chronicler Kevin Phillips upends the conventional reading of the American Revolution by debunking the myth that 1776 was the struggle's watershed year. Focusing on the great battles and events of 1775, Phillips surveys the political climate, economic structures, and military preparations of the crucial year that was the harbinger of revolution, tackling the eighteenth century with the same skill and perception he has shown in analyzing contemporary politics and economics. The result is a dramatic account brimming with original insights about the country we eventually became.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

In this signal work of history, Bancroft Prize winner and Pulitzer Prize finalist Lizabeth Cohen shows how the pursuit of prosperity after World War II fueled our pervasive consumer mentality and transformed American life. Trumpeted as a means to promote the general welfare, mass consumption quickly outgrew its economic objectives and became synonymous with patriotism, social equality, and the American Dream. Material goods came to embody the promise of America, and the power of consumers to purchase everything from vacuum cleaners to convertibles gave rise to the power of citizens to purchase political influence and effect social change. Yet despite undeniable successes and unprecedented affluence, mass consumption also fostered economic inequality and the fracturing of society along gender, class, and racial lines. In charting the complex legacy of our "Consumers' Republic" Lizabeth Cohen has written a bold, encompassing, and profoundly influential book.
