To write an introduction to criminal justice which is coherent and accessible while recognising the complexity and sheer messiness of its subject-matter is a considerable challenge, to which the editors and contributors have risen admirably. The 23 chapters build up a rich picture of a diverse set of practices and their recent history and help ...

Exhibitions and events An introduction to the Arctic You might have a picture in your mind of the Arctic – with its vast icy landscapes and plentiful wildlife – but where actually is the Arctic and what cultures live there? Amber Lincoln, curator of the forthcoming Citi exhibition Arctic: culture and climate, reveals what life is like in the most northerly place in the world.
