individual chief

the importance of

this leadership as a

factor explaining

the dynamic of

judicial power.

Download File

PDF Api 653

Drawing on an Aristotelean model of heroism and the established idea of judicial heroes to explore the types of leadership that judges can exercise, it illustrates how Indonesia's recent experience offers a stark contrast between the

Download File

PDF Api 653

different models.

First, a prudential-minimalist heroic chief justice who knows how to enhance the Court's authority while fortifying the Court's status by playing a minimalist role in policy areas.

Second, a bold and aggressive heroic

chief justice,
employing an
ambitious

constitutional
interpretation. The
third model is a
soldier-type chief
justice, who
portrays himself as
a subordinate of
the Executive and
Legislature.

Contrary perhaps
to expectations,

the book's findings show a more cautious initial approach to be the most effective. The experience of Indonesia clearly illustrates the importance of heroic judicial leadership and how the approach chosen by a court can have serious

In Bangladesh, the absence of effective constitutional safeguards for governing emergency

these emergencies
were even
