Testament book of Ephesians 4:11-13, "for He gave some apostles, and some prophets; and some evangelists; and some pastors and teachers; for the equipping of the saints, for the work of the ministry, for the building up of the body of Christ." This movement is rooted in the Charismatic movement, seen in Charismatic, Pentecostal and Third-Wave experience. This is very ...

Jesus revealed Himself to be the cornerstone of the church. But He has built His church, and continues to build it, through apostles and prophets, people who are empowered by the Holy Spirit. Now a leader of the New Apostolic Reformation gives us new insights into how the people called to crucial roles in the church--apostles, prophets, evangelists, pastor and

There are More examples of personal prophecy in Scripture than in any other biblical subject. "Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical "how to" guide on what personal prophecy is and what you are supposed to do with it. This book is an absolute must for anyone who has ever heard (or even thought they heard) from God." -- Dr. John Gimenez Jim Jackson, Earl Paulk, Ken Sumrall, Gary Greenwald, Norvel Hayes and Emanuele Cannistraci have also

spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have, in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we, as the church, can prepare to work in unity to become the army of the Lord. "A questioning world longs to know for sure what the Bible teaches about the purpose, identity and function of apostles and prophets. the church, today's apostles and prophets perform foundational ministry for the continuing building of the church. Each chapter explores facets of apostolic and prophetic ministry and clarifies what the Bible says. The principles related to the impartation and reception of spiritual giftedness is especially valuable in a day when the subject has become obscure and poorly understood. Apostles and prophets: Reclaiming the Biblical Gifts will answer a myriad of questions and explain the vital ministry of these gifted leaders who are available to God's church.

"It is a serious thing to claim to speak for God. So

serious, in fact, that a prophet who claimed to speak for God and whose words did not come to pass was to be put to death according to the Old Testament. God takes both His Name and His word so seriously that He gave some of the harshest rebukes in all the Old Testament to those who were claiming to bring revelation from Him that He had not sent. One final note. There is always the temptation when dealing with a subject of this nature, to pull out the most outlandish quotes in an

attempt to make one's point more forcefully. Though it is certain that some will feel that this is exactly what has been done, I have attempted to resist this temptation. While an extreme example has occasionally been used in order to demonstrate how heretical the movement is at its fringes, for the most part, I have attempted to use quotes from those considered more 'mainstream' within the apostolic and prophetic movement. It is my desire to demonstrate that the issues addressed in this book are rampant within the community and not isolated in one or two marginal teachers. It is

Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.
