Applying International Financial Reporting Standards 3 rd edition has been thoroughly updated to reflect the numerous changes with the International Financial Reporting Standards (IFRS) as a consequence of the convergence program between the IASB and FASB. The expert, authoritative and reliable explanations of the author team continues and the textbook is widely referenced by both students and ...

Understanding the main concepts of IFRS Standards The fourth edition of Applying IFRS Standards explains the core principles of International Financial Reporting (IFRS) Standards. It also addresses the skills needed to apply the standards in business environments. The book begins with an overview of the International Accounting Standards Board (IASB) and how it establishes accounting standards. The general book topics are then covered in detail and include: income taxes, financial instruments, fair value measurement, property, inventories, employee benefits and more. Discussion questions, exercises and references are provided throughout the book.

The core focus of this text remains on the interpretation, analysis, illustration and application of the scope and purpose of the financial reporting processes under IFRS. Written for intermediate and advanced financial reporting courses, both at undergraduate and post graduate level.

Wiley IFRS: Practical Implementation Guide and Workbook, Second Edition is a quick reference guide on IFRS/IAS that includes easy-to-understand IFRS/IAS standards outlines, practical insights, case studies with solutions, illustrations and multiple-choice questions with solutions. The book greatly facilitates your understanding of the practical implementation issues involved in applying these complex "principles-based" standards. PS-Line

Applying International Financial Reporting Standards 3rd edition has been thoroughly updated to reflect the numerous changes with the International Financial Reporting Standards (IFRS) as a consequence of the convergence program between the IASB and FASB. The expert, authoritative and reliable explanations of the author team continues and the textbook is widely referenced by both students and academics, and the accounting profession in countries that have adopted international accounting standards. The continuing focus of the third edition is to explain, interpret, analyse and illustrate the financial reporting requirements under IFRS. Each chapter contains numerous illustrative examples that present and explain concepts to ensure users gain a deep understanding of the reporting requirements and procedures, and attain the knowledge expectations of the accounting profession in respect to IFRS. The coverage of accounting standards has been expanded with the inclusion of new or thoroughly revised chapters on IFRS 9 Financial instruments, IFRS 11 Joint arrangements, IFRS 13 Fair value measurement, IAS 8 Revenue, IAS 24 Related party disclosures, IAS 33 Earnings per share and IAS 41 Agriculture. This textbook has been written for intermediate and advanced courses on financial accounting, at both undergraduate and postgraduate level.

While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygant's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygant Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

Wiley Interpretation and Application of IFRS® Standards The 2021 reference for the interpretation and application of the latest international standards Wiley IFRS® Standards 2021 is a revised and comprehensive resource that includes the information needed to interpret and apply the most recent International Financial Reporting Standards (IFRS®) as outlined by the International Accounting Standards Board (IASB). This accessible resource contains a wide range of practical examples as well as invaluable guidance on the expanding framework for unified financial reporting. The authors provide IFRIC interpretations and directions designed to ensure a clear understanding of the most recent standards. The IFRS® standards are ever evolving, therefore it is essential that professionals and students have the information needed to apply the standards correctly in real-world cases. Wiley IFRS® Standards 2021 offers a complete, up-to-date reference that aids in the application of the latest international standards in a manner that is transparent, accountable and efficient. This edition includes IFRS 9 Financial Instruments; IFRS 15 Revenue from Contracts with Customers; IFRS 16 Leases and amendments issued and effective for annual periods beginning on or after 01 January 2020 as issued by the IASB by 30 June 2020. This edition also includes some introductory guidance for IFRS 17 Insurance Contracts and incorporates the revised Conceptual Framework for Financial Reporting 2018. This guide is written by the people passionate about IFRS® at PKF International. PKF International member firms specialise in providing high quality audit, accounting, tax, and business advisory solutions to international and domestic organisations around the globe. PKF International is a member of the Forum of Firms – an organisation dedicated to consistent and high-quality standards of financial reporting and auditing practices worldwide. www.pkf.com. PKF International Limited administers a family of legally independent firms and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm or firms. Annotation. International Financial Reporting Standards (IFRS) in a business situation can have a significant effect on the financial results and position of a division or an entire business enterprise. 'International Financial Reporting Standards: A Practical Guide' gives private or public sector executives, managers, and financial analysts without a strong background in accounting the tools they need to participate in discussions and decisions on the appropriateness or application of IFRS.Each chapter summarizes an International Financial Reporting Standard, following a consistent structure: • Problems addressed by the IFRS • Scope of the Standard • Key concepts and definitions • Accounting treatment • Presentation and disclosure • Financial analysis and interpretation.

The fiscal market is an unpredictable torrent of information that modern organizations strive to understand. Business professionals dedicate themselves to understanding uncertain results around economic performance to improve management, reporting standards, and predict trends in financial statements. International Financial Reporting Standards and New Directions in Earnings Management is an essential reference source that discusses identifying the behavioral patterns of managers and the accounting policies they use in different opportunistic circumstances. Featuring research on topics such as earnings quality, risk reports, and investor protection, this book is ideal for regulatory authorities, accountants, impression managers, auditors, academics, students, and researchers seeking coverage on the theoretical, empirical, and experimental studies that relate to the different themes within earnings management.
