At the River's Edge is the seventh book in the Chesapeake Diaries series. It's a fun read, but I would've enjoyed the subplots more had I been familiar with all the secondary characters. The main plot is terrific! Sophie leaves her old life in Ohio, moves south, joins the family law firm, and buys an old restaurant.

The Riveredge Resort is great place to stay! It is an older hotel but has a lot of character! It's clean, our room was absolutely beautiful. We had a King Size with balcony on the St Lawrence River. A lot of thought was put into what guest would need! The Indoor pool and Jacuzzi was a plus. The staff was friendly!

infighting, power struggles, membership firings and resignations, lawsuits, settlements, non-disclosure agreements, oddball behaviour and fabulous rock music. Welcome to the weird world of Weezer, steered by brainchild Rivers Cuomo - a hair metal failure turned oddball rocker who has steered the ship of Weezer into uncharted territory with their bonkers sound, strange hiatuses and legendary comeback. Come feel the noise!

While staying with her brother in St. Dennis, Maryland, to figure things out, Sophie Enright impulsively buys a boarded-up building to open a restaurant, which pits her against landscaper Jason Bowers, who also wants the property.

The man Lisa Jackson loved most may have betrayed her. Another used deception to manipulate her. But did one of them kill her? Ben Jackson is sure to defeat Jonathan Cleary in

Cape Refuge's mayoral race, until his wife turns up missing the day before a major debate. Suspecting foul play, Police Chief Cade launches an island-wide search. But it takes a psychic's "vision" to point police to the riverside—and Lisa's body. The evidence implicating Ben in his wife's murder is convincing. But as a local scandal escalates into a national media circus, Cade's instincts tell him to dig deeper. And he's not the only one. Blair Owens of the Cape Refuge Journal is using her investigative skills to uncover a rat's nest of dirty secrets—and more than one person with a motive for murder. But Blair's methods are jeopardizing her relationship with Cade, and an unsolicited prediction from the psychic only adds to her troubles. Is the man's so-called gift truly from God, as he claims? Did Lisa's murder have anything to do with the mayoral race, her husband's alleged affair, or her decade-long struggle with infertility? Whoever the killer is, he's about to take his evasion of justice to the next, lethal level. And someone else is going to die.

This collection of tales is from a man who lives a life dedicated to fly fishing. Told with passion and an obvious love of both fish and fishing, Jerry Kustich's stories feel like spending time with an old friend.

In a time before fast food, microwave ovens, and home videos, there existed a world where adventure was as close as one's next thought. These are stories of a very imaginative child and the love of a father in a world that watched history change on a daily basis as never before in the 20th century. (Motivation)

One extraordinary woman will come of age--and come into her own-- in this haunting, elegiac portrait of an ever-changing America during the tumult and uncertainty of World War II. After the death of her mother, Elise Braun is sent to live with a new family in the United States and to start a new life. Her father only wants to save his daughter from the impending war in her native Germany--and the horrors of the new Nazi regime. But Elise can only feel a sense of abandonment and resentment toward the one man who is supposed to protect her. An accomplished pianist, music has become her only solace from the loneliness and loss that makes it so difficult for her to love or trust anyone. . . . Devastated by his wife's death, Herman Braun knows that he's incapable of caring for the daughter he loves so deeply. He also knows that Germany is becoming a treacherous country in the hands of a tyrant, one he must defy at any price--even the price of sending his daughter away to a strange new land. It's a choice that may cost him his family--and his life. Now, with the war over, Elise has grown into the beautiful and brave young woman her father always hoped she would be. But underneath the polished façade, she remains torn between her love for her adoptive home and the heartbreak caused by her homeland. As she struggles to find her place in a harrowing new world, she must also learn to acknowledge her love for her father, the man who traded his happiness for her own. . . .

An invaluable resource for medical professionals, victims of chronic illnesses, and their loved ones, this dual memoir by a doctor and his longtime patient traces the growth of their unique friendship over a span of decades. By exploring the bond between caregiver and sufferer, this sensitive account evokes not only the constant day to day frustrations and emotional toll suffered by the chronically ill, but also an understanding of the mental struggles and conflicts that a conscientious doctor must face in deciding how best to treat a patient without compromising personal freedoms. In alternating chapters, the narrative explores the frustration, joy, despair, grief, and pain on both sides of the doctor-patient relationship.

An epic saga based on true events of the American West—with the trailblazing fur trappers and the mountain men who lived it. This is an unforgettable journey into the untamed American frontier. Where nature is cruel, violence lurks behind every tree, and where only the strongest of the strong survive. This is a story of America. TO THE RIVER'S END Luke Ransom was just eighteen years old when he answered an ad in a St. Louis newspaper that would change his life forever. The American Fur Company needed one-hundred enterprising men to travel up the Missouri River—the longest in North America—all the way to its source. They would hunt and trap furs for one, two, or three years. Along the way, they would face unimaginable hardships: grueling weather, wild animals, hunger, exhaustion, and hostile attacks by the Blackfeet and Arikara. Luke Ransom was one of the brave men chosen for the job—and one of the few to survive . . . Five years later, Luke is a seasoned trapper and hunter, a master of his trade. The year is 1833, and the American Fur Company is sending him to the now-famous Rendezvous at Green River. For Luke, it may be his last job for the company. After facing death countless times, he is ready to strike out on his own. But when he encounters a fellow trapper under attack by Indians, his life takes an unexpected turn. A new friendship is forged in blood. And a dangerous new journey begins...

After Thelma and Wayne Owens, the no-nonsense hosts of a Christian halfway home for ex-convicts and derelicts, are found murdered in their warehouse church, suspicion is cast on the Owens' daughter's husband and on two former residents.
