Draws on Red Cloud's autobiography, which was lost for nearly a hundred years, to present the story of the great Oglala Sioux chief who was the only Plains Indian to defeat the United States Army in a war.

"Readers will appreciate this complex look at Chief Red Cloud, who under duress, unimaginable trauma, and starvation made a difficult choice." -School Library Journal (starred review) Red Cloud (1822-1909) was a great warrior and chief of the Lakota. Told from his perspective, Red Cloud: A Lakota Story of War and Surrender describes the events that brought him to prominence as a leader of his people and how he came to surrender them to the wasichus (White Man), ending their way of life on the Great Plains. From the intrusion of white settlers into Lakota territory, to the treaties signed with the U.S. government, and to the many subsequent battles, Red Cloud explains how the Lakota became the only nation to win a war against the U.S. Army on American soil. However, unlike fellow warriors Crazy Horse and Sitting Bull, Red Cloud eventually came to accept the inevitable advance of white civilization. He submitted to change and moved his followers onto a reservation. The story concludes with Red Cloud's trip to the East Coast, where he visited New York City and met President Ulysses S. Grant. Award-winning author and member of the Standing Rock Sioux tribe S. D. Nelson reinterprets the nineteenth-century Lakota ledger-art style to give authenticity to the story as he brings to light one of the most controversial members of the Lakota tribe, Red Cloud. Backmatter includes a timeline. "An impressive amount of information movingly and handsomely conveyed." -Kirkus Reviews (starred review) "The story, at once inspiring and sad, is expanded and enriched by Nelson's beautiful ink, watercolor, and colored-pencil illustrations executed in the nineteenth-century Lakota ledger-book style." -Booklist (starred review)

The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, Autobiography of Red is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice
