The book is out of print, but a few copies appear on eBay and Abebooks. The Banana (B1) is knitted in two pieces - front and back, You knit the trousers first, knitting sideways, then cast off and rejoin the yellow at the waist edge. A very simple and clever design. You add a little bit at the top for a stalk and embroider the face.

Bananas in Pyjamas is a TV programme made in Australia but available nearly everywhere. Google it for interest. The little children love the programme. Uses up oddments of yarn. Please embroider or use safety eyes for children under 3 years. Uses chainless cast on in places to keep the stripes in the right places. See less.

Adorable, soft and colourful - and just the right size for little hands - knitted toys are the ideal gift for children of all ages. The collection of wonderful knitted toys in this book - many of them complete with their own alternative outfits or additional accessories - will be a welcome addition to any child's cuddly collection. As well as imaginative dolls, traditional animals and a cute teddy, Tracy Chapman has included a selection of nursery toys for the very young child - a ball, blocks with intarsia lettering and a rattle with a bell, for example. The projects range from the simple to more complex, and utilize a wide variety of knitting skills. Each pattern is carefully explained, with clear charts and detailed instructions, so even the less-experienced knitter will find them easy to follow. Whether you want an easily-made gift or a more complex knitting project to really get into, Tracy Chapman's exciting new patterns will inspire you to pick up your needles and get started. Toys to Knit is the companion volume to the forthcoming Toys to Sew, which includes a range of desirable projects to stitch from author Claire Garland.

Helps teachers identify children with auditory difficulties in the age range 5-8, before referring them to an appropriate health professional.

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal

Emergency.” Through days of bleakness and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry’s prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Described by Virginia Woolf herself as ‘easily the best of my books’, and by her husband Leonard as a ‘masterpiece’, *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay’s promise to take a trip to the lighthouse the next day – a promise which isn’t to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf’s prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation – frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

Contains easy-to-follow instructions for making over 50 knitted toys in a selection of colours, ranging from tiny toys that take no time to knit to a large pair of dolls with sets of removable clothing. Only basic knitting skills are required.

Leaving his Southern home for Harvard University, New York City, and then, Europe, Eugen Gant explores his manhood and his American identity, falling in love with a beautiful stage designer along the way.

The international hit returns with even more wit and insight into the hidden rules that make England English.
