In a form, the file value of the type attribute allows you to define an input element for file uploads. This displays a browse button, which the user can click on to select a file on their local computer. Once a file has been selected, the file name appears next to the button.

<input type="file">: How to Use This HTML Value

By Corey Sandler . The NOOK Color and the NOOK Simple Touch work with files created using one of two eBook formats: EPUB or PDF. Formatted books refer to manuscripts that have been set in type with an attractive and logical design, organized into chapters, and often supplemented with icons, illustrations, and images.
