The world's greatest assassins are on a high-risk mission for the President--but a powerful mastermind wants them dead in this #1 New York Times bestselling thriller. The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel. Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive. As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her. And all the while, Robie and Reel are stalked by a new adversary: an unknown and unlikely assassin, a woman who has trained her entire life to kill, and who has her own list of targets--a list that includes Will Robie and Jessica Reel.

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . . THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway--her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.

Master assassin Will Robie must track down a deadly rogue agent, but the attacks conceal a larger threat that could send shockwaves through the U. S. government and around the world in this #1 New York Times bestselling thriller. Will Robie is a master of killing. A highly skilled assassin, Robie is the man the U.S. government calls on to eliminate the worst of the worst--enemies of the state, monsters committed to harming untold numbers of innocent victims. No one else can match Robie's talents as a hitman...no one, except Jessica Reel. A fellow assassin, equally professional and dangerous, Reel is every bit as lethal as Robie. And now, she's gone rogue, turning her gun sights on other members of their agency. To stop one of their own, the government looks again to Will Robie. His mission: bring in Reel, dead or alive. Only a killer can catch another killer, they tell him. But as Robie pursues Reel, he quickly finds that there is more to her betrayal than meets the eye. Her attacks on the agency conceal a larger threat, a threat that could send shockwaves through the U.S. government and around the world.

John Carr, aka Oliver Stone--once the most skilled assassin his country ever had--stands in Lafayette Park in front of the White House. Inside, the British prime minister is being honored at a state dinner. Then, just as the prime minister's motorcade leaves, a bomb explodes in the park, and in the chaotic aftermath Stone is given an urgent assignment: find those responsible. British MI-6 agent Mary Chapman becomes his partner in the search for the unknown attackers. But their opponents are elusive, skilled, and increasingly lethal. Worst of all, the park bombing may have been only the opening salvo in their plan. With nowhere else to turn, Stone enlists the help of the only people he knows he can trust: the Camel Club.

#1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . .
