Business Model You uses this same piece of paper; the nine building blocks of a business. However, it applies it to the personal living and working environment of an individual. Business Model You teaches users to draw personal business models that can reveal new ways to get more out of themselves based on skills and changing market demands.

[What is the Business Model You? Theory, steps & template ...](#)

Business Model You breaks down a basic organizational business model into its component parts, walking the reader through a step-by-step inventory of their own skills and values provided.

[Business Model You: A One-Page Method for Reinventing Your ...](#)

A personal business model takes into account unquantifiable "soft" Costs (such as stress) and "soft" Benefits (such as satisfaction). The organizational business model generally considers only monetary Costs and Benefits. When drawing a personal business model, you may find these alternative building block descriptions helpful:

[Business Model You: A One-Page Method For Reinventing Your ...](#)

Like it's cousin, "Business Model You" asks you to look at your career as a canvas of 9 parts. This isn't a cookie cutter model, though. The canvas takes you through 9 parts of a business model that you get to paint. Painting and canvas aren't loose metaphors here, you can actually paint on the canvas using sticky notes and pictures.

'Buy one, give one' is a (social)business model on the rise. It was pioneered by footwear brand TOMS' founder Blake Mycoskie in 2006 and has been copied (and criticized) by many since. Mycoskie showed the world that a private, for profit, company can create both commercial and social value at the same time.

A one-page tool to reinvent yourself and your career The global bestseller Business Model Generation introduced a unique visual way to summarize and creatively brainstorm any business or product idea on a single sheet of paper. Business Model You uses the same powerful one-page tool to teach readers how to draw "personal business models," which reveal new ways their skills can be adapted to the changing needs of the marketplace to reveal new, more satisfying, career and life possibilities. Produced by the same team that created Business Model Generation, this book is based on the Business Model Canvas methodology, which has quickly emerged as the world's leading business model description and innovation technique. This book shows readers how to: Understand business model thinking and diagram their current personal business model Understand the value of their skills in the marketplace and define their purpose Articulate a vision for change Create a new personal business model harmonized with that vision, and most important, test and implement the new model When you implement the one-page tool from Business Model You, you create a game-changing business model for your life and career.

Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 "Business Model Canvas" practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model--or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to "the business model generation!"

Are you frustrated by these common problems? -Lack of a source of motivation common to millennials and boomers alike -Teambuilding exercises that fail to produce lasting results -Groups that isolate themselves in specialty silos -"Job description myopia," or employee inability see the bigger picture -Organization charts that fail to show how work gets done Business Models for Teams helps you solve these problems. In fact, it may be the last teamwork toolkit you will ever need! Most leaders make the mistake of over-relying on verbal and written communications. But that approach is outmoded in today's systems-driven world. Using the same visual tools that made Business Model Generation and Business Model You so successful worldwide, Business Models for Teams lets you visually depict how any team really works - and how each person fits in. The Business Models for Teams toolkit provides the missing half of teambuilding, plus a research-based engagement method that works for employees of all ages. You will discover how to fix job-description myopia and how to accurately depict where work truly gets done: in the "white space" of organization charts. Business Models for Teams imparts must-have operating acumen, whether you work in business, government, or the not-for-profit world.

The long-awaited follow-up to the international bestsellers, Business Model Generation and Value Proposition Design Alex Osterwalder and Yves Pigneur's Business Model Canvas changed the way the world creates and plans new business models. It has been used by corporations and startups and consultants around the world and is taught in hundreds of universities. After years of researching how the world's best companies develop, test, and scale new business models, the authors have produced their definitive work. The Invincible Company explains what every organization can learn from the business

## Access Free Business Model You A One Page Method For Reinventing Your Career

models of the world's most exciting companies. The book explains how companies such as Amazon, IKEA, Airbnb, Microsoft, and Logitech, have been able to create immensely successful businesses and disrupt entire industries. At the core of these successes are not just great products and services, but profitable, innovative business models--and the ability to improve existing business models while consistently launching new ones. The Invincible Company presents practical new tools for measuring, managing, and accelerating innovation, and strategies for reducing risk when launching new business models. Serving as a blueprint for your growth strategy, The Invincible Company explains how to constantly stay ahead of your competition. In-depth chapters explain how to create new growth engines, change how products and services are created and delivered, extract maximum profit from each type of business model, and much more. New tools--such as the Business Model Portfolio Map, Innovation Metrics, Innovation Strategy Framework, and the Culture Map--enable readers to understand how to design invincible companies. The Invincible Company: ? Helps large and small companies build their growth strategy and manage their core simultaneously ? Explains the world's best modern and historic business models ? Provides tools to assess your business model, innovation readiness, and all of your innovation projects Presented in striking 4-color, and packed with practical visuals and tools, The Invincible Company is a must-have book for business leaders, entrepreneurs, and innovation professionals.

The all-new edition of the 4-color, global bestseller, Business Model You Many people dream of different careers or life paths, yet most lack a structured, practical way to reinvent themselves. The first edition of Business Model You pioneered a design-thinking approach to career reinvention. It used a single-page tool enabling readers to sketch a "personal business model" to reveal new, more satisfying career and life possibilities. Published in 20 languages, the book has been used by hundreds of thousands of professionals and thousands of corporations, universities, and not for profit organizations worldwide. This long-awaited, heavily revised edition uses a beautiful 4-color highly visual interior page design, to unlock both logical and emotional understandings of the reader's career, then presents a path to changing the "what," "where," "why," or "how" of that career. Along the way, it introduces fresh tools and techniques including the Service Model Canvas, Outward Focus, Third Objects, the Three Questions, the "Passion" Myth, the Valuable Work Detector, and Reasons to Choose You. The revised edition shows readers how to use tools and techniques with cases from more than 50 occupations in both commercial and not for profit sectors, all alphabetically indexed at the front of the book. If you long to replace career uncertainty and stagnation with career confidence, try innovating the most important business model of all: Business Model You.

100 Blank, Extra Large, Tear-Out Canvases Give You More Space to Brainstorm and Strategize Millions of people use the Business Model Canvas and the Value Proposition Canvas to clearly understand customers, create better products, and grow businesses. This supplement to the bestselling books, Business Model Generation and Value Proposition Design gives you more space to scribble, brainstorm, and move sticky notes--with 50 blank, extra-large, tear-out Business Model Canvases (15" x 11" or 38cm x 28cm) and 50 blank, extra-large, tear-out Value Proposition Canvases (15" x 11" or 38cm x 28cm). The large format makes it easier to keep the creative ideas flowing, be inspired, and share your work with others. In addition to the 100 blank canvases, the two sample "learning canvases" provide trigger questions to help you learn to use each box in the canvas and jump-start progress. Whether you're chasing down a game-changing business model or working to evaluate and refresh an old one, the highly visual, spacious design makes it easy to use the powerful centerpiece tool in Business Model Generation to lead your product, brand, or company into the next stage of growth. If you need space to think hard about your value proposition, the 50 blank Value Proposition Canvases will help you create products and services that perfectly match your customers' needs and desires. When business conversations become mired in hunches and intuitions, or you're haunted by that expensive new product launch that flopped, these canvases offer a quick way to raise the collective intelligence of your team. Tear out a blank canvas and design a powerful visual business model or value proposition based on the global bestsellers Business Model Generation and Value Proposition Design. These transformational business tools have proven themselves at all types of companies, from start-ups to such large organizations as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, and Philips.

The authors of the international bestseller Business Model Generation explain how to create value propositions customers can't resist Value Proposition Design helps you tackle the core challenge of every business -- creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Value Proposition Design is an essential companion to the "Business Model Canvas" from Business Model Generation, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-Palmolive, and many more. Value Proposition Design gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models."

O método de uma página para reinventar sua carreira e a si mesmo O best-seller mundial Business Model Generation: Inovação em Modelos de Negócios introduziu uma maneira visual única para resumir e criativamente debater qualquer negócio ou ideia de produto em uma única folha de papel. Business Model You: O Modelo de Negócios Pessoal usa o mesmo método poderoso de uma página para ensinar aos leitores como desenhar "modelos de negócios pessoais", que revelam novas formas de suas habilidades serem adaptadas às necessidades de mudança do mercado para revelar novas e mais gratificantes possibilidades na carreira e na vida. Produzido pela mesma equipe que criou o Business Model Generation, este livro é baseado na metodologia Business Model Canvas, que rapidamente se tornou referência mundial quando se fala de inovação. Este livro mostra ao leitor como: - Compreender o pensamento do modelo de negócios e desenhar o seu atual modelo de negócio pessoal. - Posicionar o valor de sua habilidade no mercado e definir o seu propósito. - Articular um plano para mudança. - Criar um novo modelo de negócio pessoal harmonizado com este plano para mudança e - mais importante - a testar e a implementar esse novo modelo. - Criar um novo e efetivo modelo de negócio para a sua vida e a sua carreira. Apresentação à edição brasileira: É com grande alegria que apresentamos a edição brasileira do Business Model You. Este tema tem transformado nossas vidas, nos proporcionado o conhecimento de novos amigos, estabelecido novos marcos e ampliado o campo das possibilidades. A produção do conteúdo do Business Model You: O Modelo de Negócios Pessoal teve origem em uma comunidade via internet ([vwww.businessmodelyou.com](http://vwww.businessmodelyou.com)) que reuniu os principais autores do Business Model Generation, Alexander Osterwalder e Yves Pigneur, e, com a iniciativa de Tim Clark, gerou um produto direcionado para auxiliar pessoas a pensarem em suas vidas. A iniciativa reuniu 328 profissionais em 43 países. Em tempos de mudanças frenéticas, as organizações têm se deparado com concorrências antes não imaginadas, decorrentes da inovação e da globalização. Diante desse quadro, as empresas passam a contratar pessoas dentro de projetos para trabalhar por resultados e não mais por atividade, e os profissionais tornam-se empresários de si próprios. Ao mesmo tempo, amplia-se a necessidade do cultivo de uma visão empreendedora por parte dos profissionais, quer seja a sua própria carreira, quer seja a sua posição dentro do contexto organizacional. Passamos a nos engajar em empreendimentos originados por boas ideias, que geram bons projetos e que devem ser pautados pela ética para que consigam decolar dentro deste mercado complexo e competitivo. A antiga forma das relações de trabalho, que tantas vezes provocaram ansiedade nas pessoas por ser o eixo no qual se organizava a vida associativa começa a ter um fim, abrindo espaço para novas possibilidades de relacionamento da vida humana organizada. Então, como ser diferente dentro do quadro que se apresenta para as pessoas que se agrupam em torno de um objetivo comum? Como despertar a visão empreendedora dos futuros líderes que comandarão esta sociedade em mudanças? Como resgatar o senso de ética em nossos empreendedores? Como educar os nossos jovens para essa visão desafiadora da vida? Estas têm sido algumas das perguntas que nos têm motivado nos últimos anos, promovendo uma oportunidade ou espaço que estimule a autorreflexão, a formação do caráter, o cultivo de valores, o desenvolvimento do nível de consciência que formam cidadãos empreendedores e comprometidos. Vemos alguns sentimentos predominarem entre muitos profissionais que necessitam de um apoio em sua carreira ou negócios: medo, dúvida ou descrença ocorrem eventualmente. E o que precisamos é despertar a confiança. Quando o padrão de comportamento vigente é o medo, a energia resultante é de competição e o relacionamento interpessoal é superficial, conseqüentemente, a evolução das pessoas acontece de forma isolada. Por sua vez, se o padrão for de confiança, a energia reinante será de colaboração e ocorre a coevolução entre as pessoas. O mundo está passando por constantes mudanças, onde todos os valores estão sendo questionados. Por um lado, temos uma corrida pela cultura globalizada, o ser melhor, a missão de competir e de ganhar sempre. Do outro, temos a visão de uma aldeia humana, onde resgatamos nossos valores, importando realmente o brilho de cada um, a sua contribuição e prevalecendo a colaboração. O Business Model You é um convite para que as pessoas desenvolvam uma nova percepção para o entendimento da vida em sociedade e o papel que lhes é atribuído. Não são receitas ou fórmulas de autoajuda, mas uma descoberta de processo de autorreflexão com resultados que vão além do que se pode prever. Por exemplo: o hidrogênio é inflamável, o oxigênio é respirável. Quando juntamos H e O, temos a água que é "bebível", correspondendo a uma propriedade nova, inesperada, inexplicável a partir de "inflamável" ou "respirável". Quando juntamos diferentes olhares, um novo olhar surgirá inesperado e inexplicável. Assim é a vida. O Business Model You abre essa possibilidade de encontrar outras fórmulas para a vida das pessoas. Cruzar especialidades e conhecimentos e descobrir novos significados, de uma forma simples e direta, divertida e inteligente. Diferente de outros livros voltados à orientação vocacional ou de carreira, este livro proporciona o pensamento visual e resgata a cor e o lúdico para as pessoas. Esperamos sinceramente que ele possa ser tão significativo para quem o ler, assim como foi para nós participar do seu processo de cocriação. Desejamos a todos uma ótima leitura! Maria Augusta Orofino e Renato Nobre Editores do blog [bmgenbrasil.com](http://bmgenbrasil.com) e cocriadores junto aos demais 328 profissionais do Business Model You.
