Essential advice every business needs to survive the tough times (and the good) from one of Australia's leading marketing consultants....

Think Like a Business Owner. Take Responsibility and Take Control of Your Life. Paul Campbell Aucoin's sales engineering career was stalled. He had hoped to own his own company one day. He wanted to meet ambitious people and learn from them. Instead, he found himself frustrated with his boss, his colleagues, and challenging circumstances that dragged him down. Around that time, he began taking Personal Responsibility. He started slowly, then created a shortcut that brought the ideas all together. Bit by bit, he took responsibility for his career, his relationships, and eventually his own business. He went on to grow his business to 23 employees and \$15M in sales in sixteen years. Paul sold his company and has advised over a hundred small business owners since then. His clients range from fitness to construction to a cosmetics manufacturer. He noticed the successful owners shared these same responsibility skills. He turned his responsibility shortcut into a business psychology tool. In this book you will discover: How taking responsibility will lead to taking control of your life and Bulletproof your Mindset. The shortcut that will change your life. How to minimize blame and take back control. How to understand others' personality styles. How your new skills will help solve complicated business and personal issues. Why setting just one SMART goal will make you Bulletproof. And much more! These skills are common sense, but not common knowledge. Buy this book today and discover memorable skills you will use for a lifetime!

Think Like a Business Owner. Take Responsibility and Take Control of Your Life. You've heard about taking personal responsibility. You know about the importance of having a strong, healthy mindset. Here's the big idea: These two concepts are 100% connected. Taking responsibility Equals a Strong Healthy Mindset. But, how

do you take personal responsibility? That sounds like No Fun! Paul Campbell Aucoin provides a shockingly simple breakthrough, using a easy to remember shortcut that turns taking responsibility into a skill. He refined that shortcut as he progressed through his career, ultimately starting and selling his \$15M engineering sales business. You'll start with simple examples of this shortcut in action, then progressively increase your skill level. In this book you will discover: How taking responsibility will lead to taking control of your life and Bulletproof your Mindset. The simple, memorable shortcut for taking responsibility that you can use forever. How to minimize blame and take back control. How to understand others' personality styles. How your new skills will help solve complicated business and personal issues. How setting one SMART goal will make you more Bulletproof. And much more! When working with people to develop their companies, Randy is often asked, "How can I build a successful business?" However, he believes there is a better question: "How can I build an indestructible business and sell it for an outrageous price?" In *Bulletproof Your Exit*, you will learn how to create an infrastructure that positions your business to survive and thrive, no matter the economic conditions. You will also learn how to position your company for massive success and be ready to handle any setback that life throws at you. Ultimately, you'll be able to outthink the competition and outlast the business cycle, so you win in the end. One day you will exit your business-make it bulletproof! It will be worth more money, your family will be protected, and you will finally reap the rewards from years of hard work.

Sales is often called the battlefield of business, and for good reason. No matter how great our products or services are, if we can't sell them we'll lose the battle for customers. Shawn Rhodes has paved the way in the world of sales by showing businesses from Fortune 100 to solopreneurs how to systemize their sales processes, scale their teams and ensure they never lose a sale for the same reason again.

What differentiates the businesses that fail from those that succeed? In a nutshell, the successful are nimble enough to react, adapt, and overcome any threat-and thus have the ability to survive and thrive when all hell is breaking loose. Their owners have prepared their businesses to withstand anything that comes their way: They have bulletproofed their businesses. If you're ready to achieve more than the status quo-and willing to put in the work to grow a scalable business that is bulletproof-this book is for you. You will learn the four building blocks of a prepared and scalable business, and how to use them in your business. Get ready to say goodbye to mediocrity and hello to success.

Presents strategies for achieving career goals and receiving new opportunities in the twenty-first century, emphasizing the importance of networking, building strong relationships, and doing good work.
