With a growing economy and the upcoming arrival of the Channel 4 headquarters, Leeds is an increasingly appealing place to start a business. As of 2018, there were 28,385 businesses in the city, according to the Office of National Statistics (ONS).

The essential guide to starting a business in Leeds

Create a list of goals with a brief description of action items. If your business is a start up, you will want to put more effort into your short-term goals. Often a new business concept must go through a period of research and development before the outcome can be accurately predicted for longer time frames. Create two sets of goals:
