Professor Evans is an outstanding Marketing Professor at Hofstra University. Highly recommend everyone to take him!

Merging practice with theory, this introduction to marketing portrays the state of the art, providing full coverage of all major aspects of marketing, including strategic planning, demographics, marketing information systems, pricing, integrating, and analyzing marketing plans.

The updated 11th edition of Evans and Berman's Marketing: Marketing in the 21st Century text continues its savvy transformation into a state-of-the-art multimedia package. The subtitle signifies the focus on marketing concepts essential for the future success of any organization or person, presented in a technologically advanced pedagogical format. As with any human endeavor that begins with the seed of an idea, puts down roots and is nourished by warmth and food, marketing needs a solid foundation and nurturing to grow and flourish. The new 11th edition explains this necessity and how to achieve this goal. The print version has all the elements that you expect from Evans and Berman: comprehensive topical coverage, colorful design, cases, career material, etc.

Includes appendix, glossary, index. Interactive student study disk.

Providing a balance between theory and practice, this guide to retail management includes useful career information and takes a strategic approach to decision making.

Providing a balance between theory and practice, this guide to retail management includes useful career information and takes a strategic approach to decision making.

For undergraduate and graduate retail management courses The text that helps students thrive in today ' s retailing industry. Without a predefined and well-integrated strategy, a retail firm may flounder as it ' s attempting to cope with the changing environment that surrounds it. Berman/Evans ' reader-friendly text, Retail Management: A Strategic Approach, provides a strategic, decision-making approach that illustrates how retailers plan for, and adapt to, today ' s changing and complex retail environment.

A real-world approach focusing on both large and small retailers. Learning features in this work includes a numbered summary keyed to chapter objectives, key terms listing, and discussion questions at the end of each chapter.
