Con letra de Celedonio Flores, este tango fue compuesto por el gran Carlos Gardel y por José Razzano en el año 1920. Se grabó por vez primera tres años después y destaca porque Flores se inspiró en un relato que había escrito Fernando Nunziatta, quien padecía tuberculosis. CARLOS GARDEL "VOLVER" ("To Return") The Carlos Gardel story is told in 29 colorful chapters that are like scenes in a period movie set in the era of tango 1900-1935 in Buenos Aires, Barcelona, Madrid, Paris, and New York. It is dedicated to Carlos Gardel, "El Zorzal" (The Songbird of Buenos Aires) who for many of his admirers has become an almost quixotic obsession and who, to this day, is a charismatic hero as popular in Argentina as Evita Peron or Jesus. Out of poverty stricken, immigrant existence Carlos Gardel, the poor "Morocho Del Abasto" (Dark-Eyed Kid from Abasto) became South America's most charismatic interpreter of the tango-cancion, a wildly popular film star, and was crowned the Tango King in Paris in 1930. He was chosen to replace Rudolf Valentino for Paramount when he tragically died in a plane crash in Medellin, Colombia, 1935. This page turning, historic novel gives us new and sensational insight answering the many puzzling questions about the life of Gardel, his motivations, and his music. For example, why and how did the plane crash happen? His liaisons with women? His life long friendship with men? His role in creating the tango-cancion? His involvement with a rich older woman who financed his films? His acting career? And the tragic end as the words of the tangos "Volver" and "Mi Buenos Aires Querido" are fatefully fulfilled as the beloved Carlitos, after the plane crash, returns home to Buenos Aires in a coffin, and more than thirty thousand are in the streets during his funeral. "Mi Buenos Aires querido, cuando yo te vuelva a ver, no habra mas penas ni olvido." (My beloved Buenos Aires when I see you again I will feel no more pain or oblivion.) The riveting account of the life and death of the elusive Gardel is based on countless hours of research. The book also contains more than 30 translations of the most important tango-canciones, from lunfardo (slang of Buenos Aires), which are key to understanding the times and the milieu that created Tango Argentina and the tango-cancion. "It will snow in Buenos Aires before another Gardel is found!" "Cada dia canta mejor!"

Major change came to Argentina during the first decades of the twentieth century. Following the mass influx of European immigrants to the country during the beginning of the century, a truly national culture was produced through mass media, facilitating the assimilation of immigrants and their descendants. New forms of media emerged, such as radio and cinema, as did new forms of entertainment, such as tango songs, films, and radio theater. Yet despite the unifying effect of popular culture, the nation remained divided, and, if anything, more so in 1950 than in 1910. This book argues that the key to understanding this paradox lies in a reassessment of the mass culture of the 1920s and 1930s. With a focus on film and radio in and around Buenos Aires, the locus of production as well as much of the market consumption, Karush shows how integration and class fractures occurred simultaneously in a short span of the country's history. He brings together the usually separated subjects of radio and cinema to show how they can combine to gauge a larger cultural and political environment and shed light on class distinctions. The book contributes to an ongoing discussion of the relationship between power and mass culture. It will be of interest to scholars of cultural history and urban studies and those interested in Latin American history and culture.

on and the music filling her head, she's danced across the world, from Auckland to Edinburgh, from Berlin to Buenos Aires, putting in hours of practice for fleeting moments of dance-floor ecstasy, suffering blisters and heart-break along the way. Here, in sparkling, spring-heeled prose, Kapka takes us inside the esoteric world of tango to tell the story of the dance, from its Afro roots to its sequined stars and back. Twelve Minutes of Love is a timeless tale of exile and longing, death and desire, love and belonging.
