Offers detailed, illustrated instructions for repairing Apple handheld electronic devices, covering the replacement of components, fixing software failures, and making repairs and changes not intended by the manufacturer.

With the minimum wage being what it is and the job opportunities seeming less than ideal, it might seem like a good idea to start making cash on your own terms. This guide will give you 101 ideas for starting your own money-making business. We cover options such as pet sitting, babysitting, and tutoring in great detail. You will learn how to use the Internet to help you make money with options such as surveys, advertising, blogs, and social media. This book not only covers how to make your own money, but it also teaches you how to save it and how to make it grow by creating a budget, all presented specifically with teenagers in mind. This book contains inspiring stories from young adults who have started their own businesses. If you have been hitting the pavement but are coming up short in the job department, all is not lost. With this guide in your back pocket, you can start making money on your own terms without having to depend on your parents.

This is NOT your father's home repair book! And it's not your husband's, your brother's, your boyfriend's, or the guy's next door. Dare to Repair is a do-it-yourself book for every woman who would rather be self-reliant than rely on a super or contractor. No matter the depth of your pockets or the size of your home, a toilet will get clogged, a circuit breaker will trip, and a smoke detector will stop working. It's up to you how you'll deal with them -- live in denial, pay the piper, or get real and do it yourself. Dare to Repair demystifies these home repairs by providing information that other books leave out. In Dare to Repair, you'll learn how to: Take the plunge -- from fixing a leaky faucet to cleaning the gutters. Lighten up -- from removing a broken light bulb to installing a dimmer switch. Keep your cool -- from maintaining a refrigerator's gasket to changing the rotation of a ceiling fan. Get a handle on it -- from replacing a doorknob to repairing a broken window. Play it safe -- from planning a fire escape route to installing a smoke detector. Filled with detailed illustrations, Dare to Repair provides even the most repair-challenged woman with the ability to successfully fix things around the home. Once you start, you won't want to stop.

Do you own a laptop that is constantly being moved around? Does your work have you traveling with your laptop. The days

Online Library Cell Phone Repair Specialists Guide

of the PC are pretty much over. A laptop gets a lot more punishment than desktops do. With this in mind, notebook manufacturers manufacture their systems to stand up from shaking and occasional drops. Despite the way they are made, laptops are often quick to show signs of wear and tear -- and not just on the outside. Most people have their whole life on their laptops. If your laptop is damaged it can cost you time and money in lost of valuable information and productivity. Thankfully, your laptop or notebooks can often be cured with a quick fix. To pinpoint the most common problems, we picked the brains of senior technical-support officials at some major computer manufacturers. And we've provided solutions for getting your laptop back up and running with minimal effort. Cell Phones: Dropping your cell phone, spilling water on it, overheating the battery accidents can happen, and they're not always your fault. How you choose to repair those accidents is your choice. We would like to share some of their favorite at-home solutions, that cell phone specialist recommend. These tips are for pros and beginners. iPhones, smart phones and cell phones with broken screens, water damage and charging failures tend to affect the majority of the repairs required.. They are also the most visible problems and can be diagnosed somewhat more easily; so we'll focus on these problems first!

Complete step-by-step instructions on mobile home repairs, maintenance, improvements.
