" The standard one-volume biography of Lincoln. " —Washington Post " Certainly the most objective biography of Lincoln ever written. " —David Herbert Donald, New York Times Book Review The definitive life of Abraham Lincoln, With Malice Toward None is historian Stephen B. Oates's acclaimed and enthralling portrait of America's greatest leader. In this award-winning biography, Lincoln steps forward out of the shadow of myth as a recognizable, fully drawn American whose remarkable life continues to inspire and inform us today. Oates masterfully charts, with the pacing of a novel, Lincoln's rise from bitter poverty in America's midwestern frontier to become a self-made success in business, law, and regional politics. The second half of this riveting work examines his legendary leadership on the national stage as president during one of the country's most tumultuous and bloody periods, the Civil War years, which concluded tragically with Lincoln's assassination.

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.
