The whole story of the Manchester United superstar This is a story of the little boy with footballing stardom in his family (his father played for Mexico), who the coaches thought would be too small for the rigors of the professional game, and how he proved everyone wrong, reaching the pinnacle of the game with World Cups, Premiership titles, and Champions League finals. Javier Hernandez, El Chicharito ("The Little Pea," so named for his green eyes), is rapidly becoming one of the most idolized young soccer stars on the planet. After an amazing World Cup debut for Mexico, he left Guadalajara and started his dream career at Manchester United. He was initially expected to be a bit part player learning his apprenticeship, but instead instantly became a hit with fans both on and off the field, cementing his place with 20 goals and a lightning pace as the club's leading striker alongside Wayne Rooney. Using sources from Guadalajara to Old Trafford, this totally unofficial book gets closer to the real Chicharito than any other source so far.

Javier Hernandez - better known to legions of Manchester United fans as Chicharito - is one of the most exciting young talents in football today. Born in Guadalajara, Mexico, Hernandez joined his local club C D Guadalajara at the age of nine and signed his first contract at 15. Making his full debut in 2006, he impressed in the Mexican league so much that he caught the eye of a Manchester United scout in 2009. He signed for United on 8 April 2010 and scored on his debut in the MLS All-Star Game on 28 July. Since then, Hernandez has continued to light up the Old Trafford pitch, becoming a firm favourite with fans (who voted him Sir Matt Busby Player of the Year in 2011) and scoring vital goals for the club. He became the first player since Ruud van Nistelrooy to score more than 20 goals in his debut season as United clinched a record-equalling 19th Premier League title, and despite some injury concerns in the opening half of the 2011/12 season, he has continued to be a major player for United. Still only 24 years old, the 'little pea' has committed himself to United until 2016 and looks set to help the Reds to yet more glory. This is his fascinating story.
