~~Three-time New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. No Is a Four-Letter Word distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters. From developing a strong work ethic thanks to WWE chairman Vince McMahon, remembering to always look like a star from Gene Simmons of KISS, learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, adopting a sense of perpetual reinvention from the late David Bowie, making sure to sell himself like his NHL-legend father Ted Irvine taught him, or going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon), Chris has learned countless lessons during his decades-long career. Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading No Is a Four-Letter Word, you'll discover that you might have what it takes to succeed as well...you just need to get out there and do it. That's what Jericho would do.~~

Certainly, the past six years have been spectacular for Jericho. After a sluggish return from his 2005 sabbatical, Jericho found new inspiration in watching No Country for Old Men and completely reinvented his character--ultimately going on to capture three world WWE titles. The Best in the World chronicles some of the incredible and often preposterous highlights of Jericho's recent career, including: How Mickey Rourke challenged Jericho to a match, then backed out; Jericho's award-winning feud with Shawn Michaels, which culminated in Jericho knocking out Michael's wife in the ring . . . for real His escape from the 2010 Icelandic volcanoes in a broken-down, European rental-car shuttle His encounters with Bob Barker, Ozzy Osbourne, Metallica, Al Sharpton, and Mike Tyson; and his on-again-off-again relationship with WWE chief Vince McMahon Jericho has a one-of-a-kind comedic voice and a knack for getting himself into screwball situations--both in and out of the ring. See for yourself why he is the best in the world.~~

~~Instead of bringing the end of the world, the year 2000 brought Chris Jericho into the world of WWE wrestling. Jericho debuted as "Y2J" and had a clock count down to his entrance into the ring. Y2K came and went, but Y2J stayed and has been winning titles ever since.~~

~~The bare-fisted brawler from Blackpool, England tells his story of fortune and fumbling on the road to the WWE's higher ranks. Since joining the WWE in 2000 as a goodwill ambassador from Great Britain, William Regal has established himself as an up-and-coming Superstar. He took the wrestling world by storm defeating many of the WWE's best wrestlers to win both the European and Intercontinental championships--although he's probably best known for getting back in WWE owner's Vince McMahon's good graces by kissing his naked backside on national television. While fans may still chuckle at Regal's humiliation, his in-ring success is no laughing matter. In this no-holds-barred look at his life, Regal for the first time talks about how he has dragged himself out of a life of poverty and adversity on the street of Blackpool, England and battled his own inner-demons to reach the top of the WWE's roster. He also discusses how he has overcome his recent life-threatening medical condition to return to triumphantly to the WWE.~~
