Coming Clean is a story about recognizing where we come from and the relationships that define us - and about finding peace in the homes we make for ourselves. ©2013 Kimberly Rae Miller (P)2013 Brilliance Audio, Inc. What listeners say about Coming Clean

The writer and actress explore her childhood and youth, which was largely defined by her father's struggle with hoarding.

A fascinating look at compulsive hoarding by a woman whose mother suffers from the disease. To be the child of a compulsive hoarder is to live in a permanent state of unease. Because if my mother is one of those crazy junk-house people, then what does that make me? When her divorced mother was diagnosed with cancer, New York City writer Jessie Sholl returned to her hometown of Minneapolis to help her prepare for her upcoming surgery and get her affairs in order. While a daunting task for any adult dealing with an aging parent, it's compounded for Sholl by one lifelong, complex, and confounding truth: her mother is a compulsive hoarder. *Dirty Secret* is a daughter's powerful memoir of confronting her mother's disorder, of searching for the normalcy that was never hers as a child, and, finally, cleaning out the clutter of her mother's home in the hopes of salvaging the true heart of their relationship—before it's too late. Growing up, young Jessie knew her mother wasn't like other mothers: chronically disorganized, she might forgo picking Jessie up from kindergarten to spend the afternoon thrifting. Now, tracing the downward spiral in her mother's hoarding behavior to the death of a long-time boyfriend, she bravely wades into a pathological sea of stuff: broken appliances, moldy cowboy boots, twenty identical pairs of graying bargain-bin sneakers, abandoned arts and crafts, newspapers, magazines, a dresser drawer crammed with discarded eyeglasses, shovelfuls of junk mail . . . the things that become a hoarder's "treasures." With candor, wit, and not a drop of sentimentality, Jessie Sholl explores the many personal and psychological ramifications of hoarding while telling an unforgettable mother-daughter tale.

A brave and witty examination of how and why we try to control our bodies with food. Like most people, Kimberly Rae Miller does not have the perfect body, but that hasn't stopped her from trying. And trying. And trying some more. Her first attempt to use food to change her body came at age four, when she learned that the Inuit ate fat to stay warm in the winter. If this diet worked in the Arctic, she reasoned, why not in Long Island? Postcollege, after a brief stint as a diet-pill model, she became a health-and-fitness writer and editor working on

## File Type PDF Coming Clean Kimberly Rae Miller

celebrities' bestselling bios—sugarcoating the trials and tribulations celebs endure to stay thin. But what is the ideal body? Knowing she's far from alone in this struggle, Kim sets out to find the objective definition of this seemingly unattainable level of perfection. While on a fascinating and hilarious journey through time that takes her from obese Paleolithic cavewomen, to the bland menus that Drs. Graham and Kellogg prescribed to promote good morals in addition to good health, to the binge-drinking-prone regimen that caused William the Conqueror's body to explode at his own funeral, Kim ends up discovering a lot about her relationship with her own body. Warm, funny, and brutally honest, *Beautiful Bodies* is a blend of memoir and social history that will speak to anyone who's ever been caught in a power struggle with his or her own body...in other words, just about everyone.

A gripping, true story of one man's forty-year struggle with compulsive gambling and his hard-won recovery. "My history of gambling really began before I was born." So opens *Born to Lose*, Bill Lee's self-told story of gambling addiction, set in San Francisco's Chinatown and steeped in a culture where it is not unheard of for gamblers (Lee's grandfather included) to lose their children to a bet. From wagering away his beloved baseball card collection as a youngster to forfeiting everything he owned at black jack tables in Las Vegas, Lee describes what gambling addiction feels like from the inside and how recovery is possible through the Twelve Step program.

**Coming Clean by Kimberly Rae Miller: Conversation Starters** Coming Clean is a memoir about the dysfunctional childhood of bestselling author and actress Kimberly Rae Miller. The book tells about her experiences as a child and teenager and how they have affected her life. It seems Miller has a successful career and well put-together life, so her childhood must have been normal. However, the book reveals the life and struggles of a girl who grew up in a family that struggles with hoarding. *Coming Clean* reveals her feelings about growing up, having to hide her father's habit, and just survive. *Coming Clean*, released in 2013, has sold more than 100,000 copies around the world. **A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER** than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. **Conversation Starters** is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... **Create Hours of Conversation:** - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the study of the book, either individually or corporately - Explore unseen realms of the book as never seen before **Disclaimer:** This book you are about to enjoy is an independent resource meant to supplement the original book. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK POST \* MARIE CLAIRE \* ELITE DAILY \* REFINERY29 \* ROMPER \* PRIDE \* PUREWOW "A gutsy book you need to read right now. Filled with heart and humor, it's scary good." -Courtney Love Unwifeable is the "riveting" (Cheryl Strayed), "inspirational" (Issa Rae), "hilarious" (Candace Bushnell) debut memoir from notorious dating columnist Mandy Stadtmiller that is destined to "blow you away" (Colin Quinn). Critics call it "phenomenal" (Cat Marnell), "unflinching" (Elle), "brilliant" (BBC), "outrageously entertaining" (Booklist) and "a must-read" (BuzzFeed). Provocative, fearless, and dizzyingly uncensored, Mandy spills every secret she knows about dating, networking, comedy, celebrity, media, psychology, relationships, addiction, and the quest to find one's true nature. She takes readers behind the scenes (and name names) as she relays her utterly addictive journey. Starting in 2005, Mandy picks up everything to move across the country to Manhattan, looking for a fresh start. She is newly divorced, thirty-years-old, with a dream job at the New York Post. She is ready to conquer the city, the industry, the world. But underneath the glitz and glamour, there is a darker side threatening to surface. The drug-fueled, never-ending party starts off as thrilling...but grows ever-terrifying. Too many blackout nights and scary decisions begin to add up. As she searches for the truth behind the façade, Mandy realizes that falling in love won't fix her-until she learns to accept herself first. This is a true New York fairy tale brought to life-Sex and the City on acid. Perfect for when "you feel stuck in some way and wish to become unstuck" (Caroline Kepnes), you'll soon see why Unwifeable is one of the best reviewed, most beloved memoirs of the year.

A Hollywood icon discusses her incredible life, from her starring role on the classic sitcom Laverne and Shirley to her trailblazing moment as the first woman to direct a movie grossing more than \$100 million at the box office.

In this memoir, Neil Patrick Harris shares intimate and hilarious stories about everything from his early days in LA, life on the How I Met Your Mother set, secrets from backstage at award shows, and family life with David, Harper, and Gideon. He also lets you, the reader, choose which path you want him to follow.--Adapted from publisher description.

In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the

## File Type PDF Coming Clean Kimberly Rae Miller

hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.
