Connected to Christ. Our greatest need as believers is to stay deeply connected with Christ (John 15:4-10). He desires us to know, commune and fellowship with Him on a moment-by-moment basis. Christians write, preach, teach, organize, develop evangelistic strategies, and administer programs, but many have forgotten to spend time with the Lord . . . to abide!

We live in a multifaith society: an ever-growing, diverse cultural climate, where no religion is viewed as having a monopoly on truth. It is important when that Christ-followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations. Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions—skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism. With extensive commentary from leaders of

various walks of faith and life — from Judaism to Islam and Buddhism to atheism — theologian and author Dr. Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ. Filled with practical guidance and insight into controversial topics, such as hell, fascism, and homosexuality, *Connecting Christ* reveals that there is a way of evangelizing that is neither disengaging monologue nor silent, lifestyle ministry but is, instead, an approach for evangelism and dialogue to go hand-in-hand. We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon, compassionate God revealed in Jesus Christ—the Savior this world is dying to know.

Our approach to counseling and personal ministry is often lopsided—we treat people as minds to be taught or problems to be fixed, moving too quickly toward applying biblical solutions without taking the time to love people well and understand their experiences and hurts. *The Dynamic Heart in Daily Life* provides a comprehensive view of how the heart works and how Christ redeems it. Pierre's faith-centered understanding of people combines with a Word-centered methodology to give readers a practical way to help others better understand their tough experiences and who they are in light of who Jesus is. Pierre guides readers through four key activities—reading, reflecting, relating, and renewing—that will consistently position them to understand everyday human experiences in light of Scripture. Pierre exposes the false dichotomy between the spiritual and seemingly unspiritual parts of the human experience, showing how every thought, feeling, and choice actually expresses the spiritual activity of the heart. He shows how faith in Christ is the means by which the heart begins to respond differently. Faith is not only the entry point for heart change, but also an expression of our everyday, ongoing need for Christ. Pierre's holistic view of counseling—forged by his experiences as a counselor, pastor, and seminary professor—equips readers to understand how everyday beliefs, desires, and commitments shape how we respond to life's biggest struggles and how an active relationship of trust in God is the foundation for lifelong change.

"In an isolated and disconnected world, the Church is different. Diverse communities are built under the umbrella of the Gospel, where God draws people into relationship with Him and one another. God designed His people to live in community, as this book will show. Using biblical examples of community (such as the tribes of Israel and Jesus' disciples), readers will learn about Jesus' invitation to find community in Him. The book will provide practical steps to living in and connecting to a church community"--

These six new study guides have six sessions each and enable small groups to explore the power and life application of Jesus teaching on the five biblical purposes of a Christian life by closely examining Christ's model in the Gospels."

Fellowship. The word gets used a lot in church. But too often our understanding and practice of fellowship are shallow and stripped of the life-giving, life-transforming power God intended community to have. Jesus lived out and taught a deeper, more radical kind of fellowship—a way of interacting that makes others sit up and take notice. These six sessions will show you Jesus' way of loving others "as I have loved you." *Experiencing Christ Together* helps your group explore the five biblical purposes that make up a high-impact Christian life —fellowship, discipleship, ministry, evangelism, and worship. Jesus perfectly lived out God's purposes for his life, and he taught his followers how to do the same. As you walk in the footsteps of those first disciples listening to and watching Jesus through these studies, you and your group will be transformed. One small group leader put it this way: "The *Experiencing Christ Together* series has motivated me more than any other Bible study that I have ever been to. This Bible study gets to the heart of the matter—my character in Christ—and that has created action on my part."

"Each of your students is a unique creation. Some are funny, some serious, some industrious, others are more thoughtful. Together, they make up the body of Christ and are each called to serve in their own special way. *Serving Like Christ Together* helps students discover ways to serve God by serving others. Six sessions unpack and explain the aspects of a servant's heart that Jesus values most: • Humility and Sacrifice: redefining what it means to be successful • Seeing Christ in Others: learning to serve God by serving his people • Compassion: seeing need and taking action • The Holy Spirit: relying on the Holy Spirit to direct and fuel service • Bondslaves: understanding what it means to be a slave to Christ • Serving Outsiders: discovering the joy of helping difficult people Service gives students a chance to discover their gifts, build friendships inside and outside the group, and refocus their priorities on something larger than themselves."

In *The Christ Connection* noted apologist Varghese (There Is a God, co-written with atheist-turned-Christian philosopher, Antony Flew) offers a comprehensive and compelling formulation of the monumental discovery that Jesus of Nazareth is God and man, Messiah and Savior. The book explores: · The pre-Christian religions – from native peoples to Egyptians and ancient Judaism – pointing the way to the Messiah to come · Jesus as a phenomenon unique in human history · The Christ connection as a rendezvous of the religions · Fifteen grounds that lead us to affirm Jesus as God and man and Savior · The foundations of the doctrine of the Trinity in human experience.
