Critical social theory is of particular importance because of its focus on social justice and empowerment. Emanating from the Marxist-oriented Institute for Social Research in Frankfurt and New York, this theory places social justice and the relationship of knowledge, power, and ideology at the centre of the learning experience (Habermas, 1971).

~~Critical Social Theory—an overview | ScienceDirect Topics~~

Critical social theory constitutes an effort to rethink and reform Marxist social criticism; it characteristically rejects mainstream political and intellectual views, criticizes capitalism, promotes human liberation, and consequently attempts to expose domination and oppression in their many forms. The extent to which science and technology may be associated with domination and oppression has been a major theme of critical theory.

~~critical theory | Definition & Facts | Britannica~~

Critical theory is an approach to social philosophy which focuses on providing a reflective assessment and critique of society and culture in order to reveal and challenge power structures. With origins in sociology, as well as in literary criticism, it argues that social problems are influenced and created more by societal structures and cultural assumptions than by individual and psychological factors. Maintaining that ideology is the principal obstacle to human liberation, critical theory was

~~Critical theory—Wikipedia~~

Critical Theory. First published Tue Mar 8, 2005. Critical Theory has a narrow and a broad meaning in philosophy and in the history of the social sciences. " Critical Theory " in the narrow sense designates several generations of German philosophers and social theorists in the Western European Marxist tradition known as the Frankfurt School.

#BERA_theory. Online event – pre-registration essential. In this talk we argue that educational researchers should consider more fully the ways in which social theory is utilised in contemporary forms of education research.

~~Taking stock of social theory in education research ...~~

Critical researchers assume that social reality is historically constituted and that it is produced and reproduced by people. Although people can consciously act to change their social and economic circumstances, critical researchers recognize that their ability to do so is constrained by various forms of social, cultural and political domination.
