Covering the essential concepts that drive cultural anthropology today, Ken Guest ' s Cultural Anthropology: A Toolkit for a Global Age shows students that now, more than ever, global forces affect local culture and that the tools of cultural anthropology are essential to living in a global society. A “ toolkit ” approach encourages students to pay attention to big questions raised by anthropologists, offers study tools to remind readers what concepts are important, and shows them why it all matters in the real world.

Give students the tools to engage the big issues of our time.

Drawing on the authors' fieldwork experience, this text explores how cultural creativity, human agency, and the material conditions of everyday life interact to shape cultural practices. Discussions of ongoing controversies - including tribalism vs. globalization and increasing inequality between "have" and "have not" regions - show how cultural anthropologists can tackle the world's most pressing social problems through their specialized knowledge and skills.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Successfully integrating attention to globalization, gender, class, race and ethnicity, and the environment, this text engages students with compelling ethnographic examples and by demonstrating the relevance of anthropology.
