"Gradus" calls upon the resources of linguistics, poetics, semiotics, socio-criticism, rhetoric, pragmatics, combining them in ways which enable readers quickly to comprehend the codes and conventions which together make up 'literarity.'

Alphabetically arranged and followed by an index of terms at the end, this handy reference of literary terms is bound to be of invaluable assistance to any student of English literature.

This Dictionary is a guide to the literary terms most relevant to students and readers of English literature today, thorough on the essentials and generous in its intellectual scope. The definitions are lively and precise in equipping students and general readers with a genuinely useful critical vocabulary. It identifies the thinking and controversies surrounding terms, and offers fresh insights and directions for future reading. It does this with the help of extensive cross-referencing, indexes and up-to-date bibliography (with recommended websites).

The fourth edition of J.A. Cuddon's classic dictionary has been thoroughly revised and updated to maintain it as the most comprehensive and accessible work of its kind currently available, for students, teachers and general readers alike. Expanded to include many new entries, it has been improved throughout, in places rendered more concise, in others amended and extended, with both major and minor additions. The work of the third edition, to cover the schools and various terminologies of literary theory is continued, without compromising coverage afforded to more traditional critical terms and topics. At this untimely death in 1996, Charles Cuddon, as he was known, had completed much of the revisory and updating work involved in preparing the edition. That work and other unfinished plans and outlines have since
