~~All in all, I would highly recommend this study package for the MCAT - it makes self-studying very effective and it helped me get a score of 40 on the MCAT (14 physical, 13 verbal, 13 biological). Also, given the quality of the 8th edition, I have no doubt that their 9th edition (tailored for the 2015 MCAT) will be just as great and effective.~~
