published book has sold more than 15,000 copies through limited exposure and distribution. Electrical Nutrition outlines the authors' revolutionary theories on health and nutrition based on an electrical model. Everything we think, feel, eat, and do triggers electrical responses in our bodies. Each of our cells is electrically charged, and therefore the electrical availability of what we eat has a profound effect on our health, vitality, and well-being. Instead of focusing on the chemical reactions that occur in every system of the human body, the authors contend that there is a simultaneous electrical reaction that has an equally, if not even more, important impact on our ability to digest and benefit from the food we consume. Any interruption to the flow of the body's natural electrical circuitry will have a

Body electronics is a self-healing system that utilizes nutrient saturation through diet and supplementation. Thomas Chavez learned this discipline under its developer, Dr. John Whitman Ray, and in Body Electronics, Chavez expands it to cover every imaginable trauma and illness. The basis for the approach is the melting of melanin protein complexes (crystals) in the body that develop through years of poor diet, insufficient water, poor bowel ecology, and other factors. The book addresses such topics as how to achieve appropriate levels of nutrient saturation with the

right combination of enzymes and minerals; how much water to drink and why it's important; how eating cooked food can be a damaging addiction; and how to achieve a healthy relationship with bacterial flora for intestinal health. In addition to physical wellness, the book addresses spiritual and psychological well being. The results of body electronics have been called miraculous; this book shows why.

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on
