With carefully crafted instruction, engaging student models, and plentiful practice exercises, this best-selling text continues to provide the most effective paragraph-essay level writing instruction available. EVERGREEN is structured around Susan Fawcett's proven MAP (model-analysis-practice) format -- a guiding pedagogy featuring minimal inductive instruction followed by varied practice designed to improve students' confidence and learning outcomes. Known for its superior essay coverage, EVERGREEN demonstrates each of the nine rhetorical patterns with two student sample essays (one in the third person, and one in the first person), and a graphic organizer. The Eleventh Edition includes a new chapter focused on active reading strategies; more explanation of and practice for writing effective thesis statements; updated information about research and citing sources; and nine new high-interest readings in a variety of modes, with new post-reading questions and assignments. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

EVERGREEN demonstrates each of the nine rhetorical patterns with two student sample essays (one in the third person, and one in the first person), and a graphic organizer. New to the Tenth Anniversary Edition is coverage of personal error tracking, including a new chapter, pull-out chart, and integrated exercises for each grammar and spelling chapter to help students identify, track and correct their own errors. The new edition also features an even stronger emphasis on critical thinking, with more exercises on critical thinking and viewing, and many more teaching tips designed to prompt critical thinking.

"A grand, sweeping panorama . . . richly written, finely detailed . . . vivid and memorable."-Daily News (New York) Yearning for a better life, Anna Friedman fled Poland for New York at the turn of the century. Finding work as a maid for the Werner family, Anna discovers an elegance beyond her dreams-and the passion of Paul Werner, a man beyond her reach, even when she is in his arms. But it is Joseph Friedman whom she marries. And through an act of illicit passion that will haunt her though all her days, Anna lifts Joseph from poverty to a wealth on which the Friedman dynasty would be based for generations. Sweeping from Jazz Age New York to Nazi Germany to a sun-baked Israeli kibbutz, Evergreen has become a modern American classic-an epic novel that spans three generations of an unforgettable family-and exposes the heart of an extraordinary woman: her marriage, her children, her deceit. "A magnificent story . . . this beautifully written book will be treasured and reread for many years to come."-Library Journal
