As is explained in the book, Farenheit 451 is the temperature at which paper burns. Society has "developed" to the point where people are immersed in a world created by gigantic video screens, tiny radios in their ears and drugs. Books are illegal and must be burned because the ideas inside COULD make some people unhappy.

In Fahrenheit 451, Ray Bradbury's classic, frightening vision of the future, firemen don't put out fires--they start them in order to burn books. Bradbury's vividly painted society holds up the appearance of happiness as the highest goal--a place where trivial information is good, and knowledge and ideas are bad.

Fahrenheit 451: The gripping and inspiring classic of dystopian science fiction (Flamingo Modern Classics) Kindle Edition. by Ray Bradbury (Author) Format: Kindle Edition. 4.5 out of 5 stars 4,742 ratings.

*Fahrenheit 451: The gripping and inspiring classic of ...*

Fahrenheit 451 is a book I would probably have said I'd read if you'd asked me. I could probably have told you the basic premise: a dystopian land where books are banned and 'Firemen' don't put out fires any more. I might well have read it and - rather counter to the spirit of the book - then pretty much forgotten it.

*Fahrenheit 451: The gripping and inspiring classic of ...*

Ray Bradbury brings wonders alive. For this peerless American storyteller, the most bewitching force in the universe is human nature. In these eighteen startling tales unfolding across a canvas of tattooed skin, living cities take their vengeance, technology awakens the most primal natural instincts, and dreams are carried aloft in junkyard rockets. Provocative and powerful, "The Illustrated Man "is a kaleidoscopic blending of magic, imagination, and truth--as exhilarating as interplanetary travel, as maddening as a walk in a million-year rain, and as comforting as simple, familiar rituals on the last night of the world.

The strange and wonderful tale of man's experiences on Mars, filled with intense images and astonishing visions.The classic work that transformed Ray Bradbury into a household name.

A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

Focuses on the madness and false promise of words, rhetoric-induced delusion, as suffered by young Canopean official in the small Volyen Empire.

A science fiction book that narrates the story of a futuristic society where all books are banished and firefighters are assigned the job of burning the books and the house or building that contains the books rather than putting out fires.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

*Fahrenheit 451: The gripping and inspiring classic of ...*

From internationally acclaimed storyteller Cornelia Funke, this bestselling, magical epic is now out in paperback! One cruel night, Meggie's father reads aloud from a book called INKHEART-- and an evil ruler escapes the boundaries of fiction and lands in their living room. Suddenly, Meggie is smack in the middle of the kind of adventure she has only read about in books. Meggie must learn to harness the magic that has conjured this nightmare. For only she can change the course of the story that has changed her life forever. This is INKHEART--a timeless tale about books, about imagination, about life. Dare to read it aloud.

Great Music, it said, and Great Poetry would like quieten Modern Youth down and make Modern Youth more Civilized. Civilized my syphilised yarbles. A vicious fifteen-year-old droog is the central character of this 1963 classic. In Anthony Burgess's nightmare vision of the future, where the criminals take over after dark, the story is told by the central character, Alex, who talks in a brutal invented slang that brilliantly renders his and his friends' social pathology. A Clockwork Orange is a frightening fable about good and evil, and the meaning of human freedom. When the state undertakes to reform Alex to "redeem" him, the novel asks, "At what cost?" This edition includes the controversial last chapter not published in the first edition and Burgess's introduction "A Clockwork Orange Resucked."

Celebrating Ray Bradbury's centennial, a deluxe illustrated commemorative collection of his finest crime stories -- tales as strange and wonderful as his signature fantasy, Time travelers...dark carnivals...living automata...and detectives? Honoring the 100th birthday of Ray Bradbury, renowned author of Fahrenheit 451, this new, definitive collection of the master's less well-known crime fiction, published in a high-grade premium collectible edition, features classic stories and rare gems, a number of which became episodes of ALFRED HITCHCOCK PRESENTS and THE RAY BRADBURY THEATER, including the tale Bradbury called "one of the best stories in any field that I have ever written." Is it murder to destroy a robot if it looks and speaks and thinks and feels like a human being? Can a ventriloquist be incriminated by the testimony of his own dummy? Can a time traveler prevent his younger self from killing the woman they both loved? And can the survivor of a pair of Siamese twins investigate his own brother's murder? No other writer has ever rivaled the imagination and narrative gifts of Ray Bradbury, and the 20 unforgettable stories in this collection demonstrate this singular writer's extraordinary range, influence and emotional power.
