Ed McGivern needs no introduction to gun enthusiasts and serious marksmen. For more than 50 years he was revered as one of the top authorities in the field of small firearms. A world champion marksmen who made The Guinness Book of World Records, he trained scores of law enforcement officers and developed a system of teaching that is as effective today as it was when this book was originally published. It resulted from years of experimentation and research conducted by McGivern, who utilized electric timers and other devices to determine the angles and techniques that would produce the fastest, most accurate revolver shooting. Packed with handgun lore and original photographs from the first edition, this much-sought-after classic contains a wealth of facts for marksmen everywhere.

Bilingual English-Filipino/Tagalog Children's Book What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews "charming"-Kirkus Reviews "A proposal to improve the world"-Westfälische Nachrichten "interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books."-ForeWord Clarion Reviews "beautiful"-Geizkragen Website "A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action "sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon Customer Review from the U.S. "fabulous"-Ehrensensf, Spiegel Online "The story of a little snail who triggers big changes"-Münstersche Zeitung
