The Financial Reporting Specialization includes multiple projects and practice activities, including analyses of statements and cases, which will be peer-reviewed. In addition, the specialization includes one capstone course, which is comprised of a full case analysis of an actual company's financial statements.

FINANCIAL REPORTING, FINANCIAL STATEMENT ANALYSIS, AND VALUATION, 8E is written with the premise that students can learn financial statement analysis most effectively by performing the analysis on real-world companies. Wahlen/Baginski/Bradshaw's textbook will teach students how to integrate the concepts from economics, finance, business strategy, accounting, and other business disciplines through a unique six-step process. New to this edition, chapters now include quick checks after each section so that students can be sure that they have obtained the key insights after reading each section. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Using real-world examples to thoroughly involves readers with financial statements, Financial Reporting and Analysis, 9e builds skills in analyzing real financial reports through statements, exhibits, and cases of actual companies. Emphasis is placed on the analysis and interpretation of the end result of financial reporting &€" financial statements.

Accounting Standards (US and International) have been updated to reflect the latest pronouncements. * An increased international focus with more coverage of IASC and non-US GAAPs and more non-US examples.

All too often, financial statements conceal more than they reveal. Even after the recent economic crisis, those analyzing financial statements face serious new concerns and challenges. The Fourth Edition of Financial Statement Analysis skillfully puts this discipline in perspective, and now, with this companion Workbook, you can hone your skills and test the knowledge you've gained from the actual text, before putting them to work in real-world situations. Question-and-answer sections within this Workbook correspond to each chapter of Financial Statement Analysis, Fourth Edition. Part One (Questions) provides chapter-by-chapter fill-in-the-blank questions, as well as financial statement and computational exercises. They are designed to be thought-provoking and require analysis and synthesis of the concepts covered in the book. The answers to all questions, which can be found in Part Two, are provided in boldfaced italic type in order to facilitate the checking of answers and comprehension of material. By enhancing your understanding of financial statement analysis, you can begin to undertake genuine, goal-oriented analysis and prepare for the practical challenges of contemporary business. This reliable resource will help you achieve such a difficult goal and allow you to make more informed decisions—whether you're reevaluating a company's stock price or determining valuations for a merger or acquisition.

The book provides an insight into the concepts pertaining to financial accounting in the most simplified way. With clear and concise presentation and systematic discussion of the concepts, the text helps in developing the basic understanding of corporate financial reporting. It explicates the accounting principles and methods stipulated in Ind AS, without going into too much detail to make the book useful to the students without previous accounting knowledge. Primarily, the book is intended as first course for the postgraduate students of management for their papers in Financial Reporting and Financial Statement Analysis. HIGHLIGHTS OF THE BOOK Case study-based approach. Ind AS revised up to April 30, 2019, including Ind AS 116. Schedule III of the Companies Act, 2013. Use of financial statements of HUL, Infosys and Suzlon for the year 2016-17 throughout the text to explain Schedule III, accounting principles and financial statement analysis. Numerous illustrations and self-test questions (with answers) after each concept for students to assess their knowledge and grasping. Chapter-end assignments including multiple choice questions, fill in the blanks, analytical questions and problems for practice. NEW TO THE EDITION Besides revised Ind AS, the book includes four new chapters in the second edition, which are as follows: Financial Instruments (Ch 19) Non-Financial Liabilities (Ch 20) Business Combination and Consolidated Financial Statements (Ch 21) Topical Issues (Ch 22) LEARNING RESOURCES Online Study Guide is available at https://phindia.com/corporate_financial_reporting_bhattacharyya for adopting faculties, which comprises the following: Solutions manual Key ideas and chapter review slides Additional assignments. However, additional assignments are accessible to the students as well. TARGET AUDIENCE MBA PGDM

All too often, financial statements conceal more than they reveal. Even after the recent economic crisis, those analyzing financial statements face serious new concerns and challenges. The Fourth Edition of Financial Statement Analysis skillfully puts this discipline in perspective, and now, with this companion Workbook, you can hone your skills and test the knowledge you've gained from the actual text, before putting them to work in real-world situations. Question-and-answer sections within this Workbook correspond to each chapter of Financial Statement Analysis, Fourth Edition. Part One (Questions) provides chapter-by-chapter fill-in-the-blank questions, as well as financial statement and computational exercises. The Companies Act, 2013, along with Company rules 2014 have been covered in detail. Abundant Solved Examples, illustrations with detailed working notes, previous years' questions and solutions, and practice questions will greatly benefit the students and help them master the subject. Salient Features: 1. In accordance with the CBCS syllabus prescribed by University of Calcutta and other allied universities of West Bengal Financial for 6th Sem, B. Com students 2. Thorough coverage of The Companies Act, 2013, and Company rules 2014 along with recent amendments and rules updated till 2018 3. New Chapter on "Accounting Standards" which covers AS 1, 16 and 33. 4. Dedicated section on previous year questions with solutions incorporated in every chapter. 5. Include problems from latest professional examinations (CA, ICWA, CS, CMA) which will prove useful for meritorious students.

Financial Reporting & Analysis (FR&A) by Revsine/Collins/Johnson/Mittelstaedt emphasizes both the process of financial reporting and the analysis of financial statements. This book employs a true "user" perspective by discussing the contracting and decision implications of accounting and this helps readers understand why accounting choices matter and to whom. Revsine, Collins, Johnson, and Mittelstaedt train their readers to be good financial detectives, able to read, use, and interpret the statements and-most importantly understand how and why managers can utilize the flexibility in GAAP to manipulate the numbers for their own purposes.
