Elementary Korean offers a complete, systematic and streamlined first-year course in Korean for the English-speaking adult learner.

Elementary Korean is an extensive beginning level Korean workbook. This helpful practice book is intended as a companion to its accompanying textbook but can be used with any other Korean textbook or as a stand-alone self-study guide to learn Korean. Elementary Korean Workbook is essential for practicing and polishing your proficiency in everyday conversational Korean. Here are carefully crafted activities for expanding your abilities to read Korean, write Korean, comprehend Korean, and speak Korean. The MP3 audio CD helps build listening comprehension and ensure correct pronunciation The variety of activities offers beginning learners the range of practice opportunities they need: Korean language dialogues. Translation exercises from Korean into English, and visa versa. Comprehension, vocabulary, and grammar exercises. Reading practice passages. Language keys for all activities. Accompanying audio CD.

This is a complete and effective intermediate-level Korean textbook and Korean language learning package It is the next book in the Elementary Korean series and takes student's abilities to read comprehend Korean, speak Korean, read Korean, and write Korean to the next level. Continuing Korean is designed for learners who have achieved basic proficiency and wish to progress to more complex structure of Korean language. It offers a full range of field-tested exercises that will help readers build their confidence and fluency in the Korean language. Each lesson includes Korean dialogues, vocabulary, lesson notes and detailed breakdowns of the grammatical structure under discussion, and exercises. The downloadable audio is another great way to learn Korean and ensures correct pronunciation and helps to build listening comprehension.

This is a comprehensive and detailed introductory Korean textbook and language learning package. Korean is now the 15th most popular language taught at American universities. This new edition of Elementary Korean, the most comprehensive and detailed introductory Korean textbook available, offers beginning learners of Korean everything they need to learn the language effectively. Perfect for a first-year university-level course use or for the independent language learner. No prior knowledge of the language is necessary. The new format, now with dozens of illustrations, presents Korean vocabulary and Korean grammar in an accessible and understandable manner while extensive conversations and exercises help to reinforce the Korean language and build reading and listening comprehension. This edition includes: Downloadable audio and a dedicated website. Rich and highly nuanced examples with brand new illustrations. Detailed but on-technical grammar notes, ample writing exercises with an accompanying answer key. Detailed examples of authentic dialogue. Highly technical grammar notes. Plenty of writing practice. Dialogues, reading texts, and written exercises are in Hangul, the Korean alphabet, so students are quickly able to read and write authentic Korean. Layered lessons are designed to build on each other, making Korean easy to learn from the most popular introductory Korean language textbook available. Included is downloadable audio that helps learners to speak like a native and a web-based practice component through the University of British Columbia that can help students to learn Korean even beyond the pages of this book. According to the Modern Language Association, enrollment in Korean in American universities is growing rapidly. Available separately is the companion Elementary Korean Workbook. This helpful workbook will assist you in practicing and polishing your Korean language skills. Each lesson supplements the corresponding lesson in the textbook. There are ten activities per lesson, offering a range of exercises and practice opportunities to enable you to achieve proficiency in everyday, conversational Korean.

Elementary Korean I Activity Book features a variety of task- and usage-based activities designed to help students improve their communicative skills in Korean. The introduction reviews the Korean alphabet, ensuring students are able to read and write Korean consonants and vowels, recognize them when heard, form a syllable block in Korean, and write their own name. Additional chapters help students practice everyday topics of conversation in Korean, including personal introductions, talking about their belongings, describing how they feel about their classes, and identifying the location of a place. Students learn how to talk about their daily activities, ask about the price of items, introduce their family members, talk about their past, and more. Closing chapters help students master the necessary vocabulary to set up a meeting place and make plans for vacation. Featuring a highly practical focus, Elementary Korean I Activity Book is an ideal supplementary text for foundational courses in Korean.

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

This is a textbook for students of Korean, a sequel to our book for beginners.

This intermediate level text has been developed in accordance with performance-based principles, contextualization, use of authentic materials, function/task-orientedness, and balance between skill getting and skill using. Each topic covers punctuation, grammar and new words and expressions.
