"Geek girl" is also a term applied to women who engage in journalism and media about technology, typically through the Internet rather than traditional print media, such as tech journalist Natali Morris. Perhaps the most well-known variety of the "geek girl" is the gamer, who typically engages in video and/or live role-playing games.

Read. January 2018 Rating: 3.55 stars Geek Girl was on a long list of books my teenage daughter has recommended that I read, and I can see why she likes it. Harriet is a quirky, likeable protagonist and the plot is entertaining and easy to follow. I especially like the fact that Harriet has a loving and healthy relationship with her dad and step-mother. The only reason this was not a four ...

"My name is Harriet Manners, and I'll always be a geek." It's the hilarious third book in the bestselling award-winning Geek Girl series! Now in paperback. Harriet Manners knows more facts than most. She knows that New York is the most populous city in the United States. She knows that its official motto is "Ever Upward". She knows that one in thirty-eight people living in the US lives there. But she knows nothing whatsoever about modelling in the Big Apple and how her family will cope with life stateside. Or "becoming a brand" as the models in New York say. And even more importantly, what to do when the big romantic gestures aren't coming your way from your boyfriend... Does geek girl go too far this time? The laugh out loud follow-up to award-winning debut Geek Girl and Model Misfit will have you in stitches!

When she is accidentally discovered by a modeling agent, fifteen-year-old Harriet jumps at the chance to transform herself from a geek to a fashion model.

"My name is Harriet Manners, and I am a geek." A brand new World Book Day story from the no. 1 bestselling and award-winning GEEK GIRL series!

"My name is Harriet Manners, and I am still a geek." MODEL MISFIT is the sequel to award-winning No. 1 UK debut GEEK GIRL.

You can make a geek a model, but you can't make her chic. More hilarity and high fashion await in the second book in the internationally bestselling Geek Girl series! Harriet Manners is a model—but she feels even less popular and more awkward than she did when she was just a geek. So a summer modeling job in Japan sounds like the perfect vacation, even if she has to bring along her crazy grandma Bunty, and even if she might run into Nick, her gorgeous supermodel ex-boyfriend. No one is going to ruin Harriet's fabulous Tokyo adventure—unless she accidentally ruins it herself. . . . This sequel to Holly Smale's #1 bestselling debut novel, Geek Girl, is perfect for fans of Mag Cabot's Princess Diaries series and Louise Rennison's Georgia Nicolson series.

My name is Harriet Manners and I'll be a geek forever... The FINAL book in the bestselling, award-winning GEEK GIRL series is here!

The Stakes Have Never Been Higher... An avid gamer, Jamie Marten loves to escape into online adventure. But when she falls through an antique mirror into a lavish bedchamber—200 years in the past!—she realizes she may have escaped a little too far. Micah Axelby, Earl of Dunnington, has just kicked one mistress out of his bed and isn't looking to fill it with another—least of all this sassy, nearly naked woman who claims to be from the future. Yet something about her is undeniably enticing... Jamie and Micah are worlds apart. He's a peer of the realm. She can barely make rent. He's horse-drawn. She's Wi-Fi. But in the game of love, these two will risk everything to win.

This book 'isn't about the famous tech trailblazers you already know, like Sheryl Sandberg and Marissa Mayer. Instead, veteran journalists Heather Cabot and Samantha Walravens introduce readers to the ... female entrepreneurs and technologists fighting at the grassroots level for an ownership stake in the revolution that's changing the way we live, work and connect to each other"--Amazon.com.

Mia Connors finally has this adulding thing under control. She's set to launch a massive project at work, her social calendar is filling up and, if you can believe it, she might finally get the guy. But when one of her grandparents' close friends is discovered floating in the lake—D-E-A-D—all she's after is justice. And there's only one person who can make that happen. Deputy US Marshal Jake Archer is working undercover when he gets the call about a murder in Horseshoe Falls. The vic may have been close with Mia's family, but it doesn't take long for Jake to discover that he had far more enemies than friends. Horseshoe Falls is abuzz with news of the murder, and Mia's determined to get to the bottom of things, despite Jake's direct order to stand back. Jake didn't open his heart to the possibility of a future with someone just to let her get herself killed. Now they have to contain the panic within Horseshoe Falls, apprehend the fugitive and figure out how to salvage their relationship—before Mia finds herself in the crosshairs.
