About Genuine Lies. New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she ' s chosen to reveal it all. . . .

Genuine Lies by Nora Roberts: 9780553386424 ...

I thought I ' d read every published work of Nora Roberts but a scan of the synopsis of " Genuine Lies " quickly dispelled that notion. This lengthy (530 pages) vintage Roberts was originally published in 1991 and is set in the Hollywood of the early 80 ' s so everyone smokes and the glitzy fashions are over the top as one would expect in the heyday of studio contract stars.

Fiction Book Review: Genuine Lies by Nora Roberts, Author ...

As she was ferried through the sprawling new housing developments, she looked out the window at the treeless blocks, rows of timber fences and bloated brick veneer houses, and asked with genuine ...

New York Times bestselling author Nora Roberts weaves scandal, celebrity secrets, and murder into an explosive novel of Hollywood almost too wicked not to be true: the story of a legendary actress who knows too much—and the woman she ’ s chosen to reveal it all. . . . Eve Benedict is the kind of subject who could make any biographer ’ s career. Last of the movie goddesses, she has two Oscars, four ex-husbands, and a legion of lovers, both famous and infamous. Now she is ready to write a tell-all memoir that has even Hollywood ’ s richest and most powerful worried. Julia Summers never dreamed of being chosen to tell Eve ’ s story. But even if it means transplanting herself and her ten-year-old son from their quiet life in Connecticut to the withering limelight of Beverly Hills, it ’ s an opportunity too great to pass up. But Julia never imagined how far someone would go to keep Eve Benedict ’ s book from being published . . . until she discovers just how dark Eve ’ s secrets are. And the one man Julia hopes she can trust—Eve ’ s stepson, Paul Winthrop—may have the most to gain if his stepmother ’ s story is never told . . . and if Julia ’ s life ends before she can write a word of the truth. “ Roberts does a beautiful job weaving together the movie star ’ s titillating tales and the love story that develops. ” —USA Today

A fledgling entertainment writer stumbles into the gig of a lifetime writing a teenage pop star ’ s memoir and soon realizes that the young celebrity's squeaky-clean image is purely a work of fiction. Struggling writer Holly Gracin is on the verge of moving back home to upstate New York when she gets hired to write the memoirs of eighteen-year-old Daisy Mae Dixson, a former Nickelodeon child star who has moved seamlessly into both blockbuster movies and pop music. Holly quickly realizes that Daisy ’ s wholesome public image is purely a work of fiction, as Holly finds herself trailing the star as she travels around the world on yachts, gets stalked by paparazzi, and sneaks out of five-star hotels in the dead of night. As Holly struggles to write a flattering portrait of a teenage millionaire who only eats “ nightshades ” and treats her employees like slaves, Daisy has a public meltdown—and suddenly, her book is the cornerstone of resurrecting her image. But working at all hours trailing a pop star has taken its toll, and Holly must decide if becoming the ultimate insider is worth losing a starring role in her own life. Fun, juicy, and inspired by Rachel Stuhler ’ s own stranger-than-fiction experiences as a celebrity ghost writer, Absolutely True Lies is an entertaining look at how the lifestyles of the rich and famous aren ’ t always what they seem.

Selected by actress Eve Benedict to write the legendary star's biography, writer Julia Summers delves into Eve's past and discovers dark secrets that some people--especially Eve's stepson, Paul--would kill to find out.

A few fabrications lead to a fiasco when a middle schooler and her mischievous grandma run away from home.

Travel writer Claire Spencer doesn't believe in fate, much less any part of that fairy tale, happy ending, love at first sight stuff. Especially not for Amazon-sized women like her. So

when Jack, the sexy man who sits next to her on a flight from New York to London, asks her out, Claire figures there has to be a catch. Is he blind? Sleazy? On the rebound? But she decides to accept, and finds herself smitten and a little frightened at how happy she is with how fast things are moving. While in London (on assignment for Sassy Seniors! magazine), Claire is also looking forward to seeing her best friend, Maddy, one of those impossibly gorgeous, if-I-didn't-love-her-I'd-hate-her women who's got everything in the world going for her--except that, for the first time in her trouble-free life, Maddy has just been dumped...by Jack. Claire's finally met what seems to be the perfect guy, and now the only way she can have him is by betraying her best friend. It's almost enough to make Claire believe in Fate, but if Fate does exist, it seems intent on screwing her over.

The Runner tells the remarkable true story of a teenage drifter and petty thief named James Hogue who woke up one cold winter morning in a storage shed in Utah and decided to start his life anew. Re-imagining himself as a self-educated ranch hand named Alexi Indris-Santana who read Plato under the stars and could run a mile in under four minutes, Hogue applied and was accepted to Princeton University, where he excelled academically, made the track team, and became a member of the elite Ivy Club. Echoing both *The Great Gatsby* and *The Talented Mr. Ripley*, the story of Hogue ' s life before and after he went to Princeton is both an immensely affecting portrait of a dreamer and a striking indictment of the Ivy League " meritocracy " to which Hogue wanted so badly to belong. Drawing elegant parallels between Hogue ' s ambitions and the American myth of self-invention, while also examining his own uneasy identification with his troubled subject, David Samuels has fashioned a powerful metaphor for the corruptions of the American dream, revealing exceptional gifts as a reporter and literary stylist.

NEW YORK TIMES BESTSELLER • " Driving, wild and hilarious " (The Washington Post), here is the incredible " memoir " of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre " one step below instruction manuals. " Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, " Call it anything you damn like. "

" A gripping story of love, obsession, and the space in between. " —Kirkus Reviews *Gone Girl* meets *Suicide Notes* from *Beautiful Girls* in this mesmerizing debut novel about a toxic friendship that turns deadly. Remy Tsai used to know how her story would turn out. But now, she doesn ' t even know what tomorrow will look like. She was happy once. Remy had her boyfriend Jack, and Elise, her best friend—her soulmate—who understood her better than anyone else in the world. But now Jack is dead, shot through the chest... And it was Elise who pulled the trigger. Was it self-defense? Or something darker than anything Remy could imagine? As the police investigate, Remy does the same, sifting through her own memories, looking for a scrap of truth that could save the friendship that means everything to her. Told in alternating timelines, this twisted psychological thriller explores the dark side of obsessive friendship.

Living at a Virginia horse farm with the mother she had never known, Kelsey Byden becomes involved with a high-stakes gambler who raises troubling questions about her mother's past
