After the phenomenal success of The Storm Whale and On Sudden Hill, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad

Read Book Grandads Island

isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our loved ones live on in our memories long after they're gone. Praise for Grandad's Island: 'Davies's elegantly rough illustrations, evoking a child's paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, Grandad's Island doesn't mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' The New York Times Book Review 'The creator of *The Storm Whale* (2014) offers another thoughtful picture book guaranteed to spark discussion...Recommend to young families dealing with loss, especially those who prefer to gloss over the scientific realities.' Booklist Online 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' Publishers Weekly 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it's normal to be sad and miss loved ones...Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn't directly specified, this title also works for when a child's loved one is moving far away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' School Library Journal 'Grandad's Island by British author-illustrator Benji Davies (*The Storm Whale*; *Bizzy Bear* series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer. Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' Shelf Awareness for Readers 'A resonant, layered tale that will only gain in texture as its readers get older.' USA Today

With subtlety and grace, Benji Davies paints a poignant and ultimately uplifting picture of loss. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home. Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our loved ones live on in our memories long after they're gone.

A lyrical, gorgeously illustrated look at the majesty of trees—and what humans can learn from them Stand tall. Stretch your branches to the sun. Be a tree! We are all like trees: our spines, trunks; our skin, bark; our hearts giving us strength and support, like heartwood. We are fueled by air and sun. And, like humans, trees are social. They “talk” to spread information; they share food and resources. They shelter and take care of one another. They are stronger together. In this gorgeous and poetic celebration of one of nature's greatest creations, acclaimed author Maria Gianferrari and illustrator Felicita Sala both compare us to the beauty and majesty of trees—and gently share the ways in which trees can inspire us to be

better people.

#1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. Don't miss the eagerly anticipated prequel, *Family of Liars*, available May 2022! A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars*

Aston's Grandad Roy played in a steel band and Grandad Harry played the trumpet in a brass band. Aston always enjoyed going to visit them and listen to them practise. But soon he wanted to join in. So he asked Grandad Roy to teach him to play the steel drums and then he asked Grandad Harry to teach him to play the trumpet. He loved practising both instruments. Then the school needs a band to play at the school fair, and both grandads want their own band to play. Finally Aston had an idea - both bands join together to make one big band, and Aston joins in first on steel drums and then on trumpet. This delightful story of a mixed-race family reconciling their very different cultures is a wonderful celebration of diverse cultures. Written by one of Britain's foremost campaigners and media personalities and illustrated by a highly regarded illustrator, this book is sure to build on the success of *My Two Grannies*.

'Funny, touching and visually stunning, this really is a book to treasure.' Daily Mail
A GIANT story of belonging and friendship from David Litchfield, author of the Waterstones Illustrated Book Prize 2016 winner *The Bear and the Piano*. "He has hands the size of tables," Grandad said, "legs as long as drainpipes and feet as big as rowing boats. Do you know who I mean?" "Yes," sighed Billy. "The Secret Giant. But he's not real!" Billy doesn't believe his Grandad when he tells him there's a giant living in his town, doing good deeds for everyone. He knows that a giant is too big to keep himself hidden. And why would he WANT to keep himself a secret? But as time goes on, Billy learns that some secrets are too BIG to stay secret for long... This delightful heartfelt story of belonging and friendship teaches the importance of tolerance and acceptance to young children.

Birt and Etho are best friends, they play on Sudden Hill, making marvellous contraptions out of cardboard boxes. But then a new boy, Shu, wants to join in too. Birt isn't sure that he wants Shu to join them. Eaten up with jealousy, he goes home and refuses to come out to play. Until Etho and Shu come to his house with the most marvellous cardboard contraption so far... A compelling, poignant story about accepting someone new, with text by Linda Sarah and illustrations by Benji Davies, creator of *The Storm Whale*. Also by Linda Sarah: *The Secret Sky Garden*, illustrated by Fiona Lumbers *Tom's Magnificent Machines*, illustrated by Ben Mantle
Also by Benji Davies: *The Storm Whale* *Grandad's Island* *The Storm Whale in Winter* *Grandma Bird*

Every day, in a house by the sea, a little boy watches his father leave for work. One night, a storm washes a small whale onto the beach. The boy discovers the whale

Read Book Grandads Island

is a good listener, and the father discovers the boy is lonely. Together, they return the whale to the sea, and the boy realizes his father can be a good listener, too. Full color.

"Fee!" he said, and "Fi!" he said, and "Fo!" he said and "Fum!" Look out children, the Giant of Jum is grumpy and hungry and he's off in search of a tasty snack. And the tastiest of all is a boy called Jack! But Jack and his friends don't see a scary giant, they see a magically tall man - a man who can fetch lost balls and rescue cats from trees! Perhaps this hungry giant is softer than he seems... An incredible rhyming text and a brilliant, big-hearted twist on a classic fairy tale, from the uniquely talented author and poet, Elli Woollard, and award-winning illustrator, Benji Davies. The Giant of Jum also contains an important message for all: don't eat kids, eat cake!

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
