Popular Music from Vittula tells the fantastical story of a young boy's ordinary existence, peopled by a visiting African priest, a witch in the heart of the forest, cousins from Missouri, an old Nazi, a beautiful girl with a black Volvo, silent men and tough women, a champion-bicyclist music teacher with a thumb in the middle of his hand—and, not least, on a shiny vinyl disk, the Beatles. The story unfolds in sweltering wood saunas, amidst chain thrashings and gang warfare, learning to play the guitar in the garage, over a traditional wedding meal, on the way to China, during drinking competitions, while learning secret languages, playing ice hockey surrounded by snow drifts, outsmarting mice, discovering girls, staging a first rock concert, peeing in the snow, skiing under a sparkling midnight sky. In the manner of David Mitchell 's Black Swan Green, Mikael Niemi tells a story of a rural Sweden at once foreign and familiar, as a magical childhood slowly fades with the seasons into adult reality.

Some things are just meant to be, or sometimes it seems that way. Like old uni pals inexplicably moving to your hometown, or realising that your childhood best friend is the love of your life, or landing a star role in a hit TV series that could well be your autobiography. Fate, karma, written in the stars, or just bizarre quirks of coincidence? For better or worse, the events of the next six months will push the friends to the limits. For The Circle can expand and contract, but it is always whole, eternal. Set over a period of six months (January–June), in The Stars Part I explores the day-to-day lives of The Circle—nine friends from high school, now in their late thirties—following them through a year of celebration, loss, illness and life-changing decisions. In The Stars Part I is Season Four in the Hiding Behind The Couch Series. This book is also available as six separate episodes. The story follows chronologically from The Harder They Fall (Season Three), Crying in the Rain (Novel) and First Christmas (Novella). It continues in Breaking Waves (Novella) and In The Stars Part II (Season Five). For those readers unfamiliar with the series, In The Stars re-introduces the main characters, so you could pick it up from here and perhaps catch up with the previous books later. " * * * * What readers say about the Hiding Behind The Couch Series: " The remarkable characterisation in these novels is what makes them for me. " " This story reminds me of my favorite movies about friendship and relationships. " " Few authors have explored the depths of longtime friends within a group, or ' circle ' the way Debbie McGowan has! " " I have a love-hate relationship with Debbie McGowan 's Hiding Behind the Couch Series. I love to read them, I HATE it when they 're over. "
