Increasingly over the past decade, fan credentials on the part of writers, directors, and producers have come to be seen as a guarantee of quality media making—the “fanboy auteur.” Figures like Joss Whedon are both one of “us” and one of “them.” This is a strategy of marketing and branding—it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming. Such claims that fan credentials guarantee quality are often contested, with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises. That split, between assertions of fan and auteur status and acceptance (or not) of that status, is key to unravelling the fan auteur. In *A Portrait of the Auteur as Fanboy: The Construction of Authorship in Transmedia Franchises*, authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys. The volume discusses both popular fanboys, such as J. J. Abrams, Kevin Smith, and Joss Whedon, as well as fangirls like J. K. Rowling, E L James, and Patty Jenkins, and dissects how the fanboy-fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces, and how this discourse has played in maintaining the exclusionary status quo of geek culture. This book is particularly timely given current discourse, including such incidents as the controversy surrounding Joss Whedon’s so-called feminism, the publication of *Harry Potter and the Cursed Child*, and contestation over authorial voices in the DC cinematic universe, as well as broader conversations about toxic masculinity and sexual harassment in Hollywood.

The most thorough guide to Disneyland and Disney's California Adventure A great destination and thorough preparation are what make a wonderful vacation, and *The Unofficial Guide to Disneyland 2018* makes Disneyland one of the most accessible theme parks in the world. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader’s vacation. Whether you are at Disneyland for a day or a week, there is a plan for your group or family. You can enjoy the rides, activities, and entertainment instead of spending your time in lines. *The Unofficial Guide to Disneyland* authors Bob Sehlinger, Seth Kubersky, Len Testa, and Guy Selga, Jr. present the information in a comprehensive way that permits easy comparisons and facilitates decision making. There are detailed plans and profiles of hotels, restaurants, and attractions that are presented in “at a glance” formats that provide for near-instant communication of the most salient information. Profiles are supplemented by indexes. In short, we’ve got a plan for every reader. *The Unofficial Guide to Disneyland’s* research team is a multidisciplinary group consisting, among others, of data collectors, computer scientists, statisticians, and psychologists. Their singular goal is to provide a guide that will let you get it right the first time and every time. With their help, advice, and touring plans, the reader will have a one-up on anyone else not using *The Unofficial Guide to Disneyland*. The book is the key to planning a perfect vacation in a great destination location.

*THE Comprehensive Guide to Universal Orlando* *The Unofficial Guide to Universal Orlando* by Seth Kubersky is packed with detailed, specific information on every ride, show, and restaurant in the resort, including insider details on Harry Potter's Hogsmeade and Diagon Alley, as well as the new waterpark Volcano Bay. Compiled and written by a former Universal Orlando employee, and based upon decades of research from a team whose work has been cited by such diverse sources as USA Today and Operations Research Forum, *The Unofficial Guide to Universal Orlando* provides step-by-step detailed touring plans that allow you to make the most of every minute and dollar during your Universal Orlando vacation. The guide includes info on where to find the cheapest Universal Orlando admission tickets, how to save big on Universal on-site hotel rooms and skip the regular lines in the parks, when to visit Universal Orlando for the lightest crowds, and everything else you need to know for a stress-free Universal Orlando experience.

Journey into the Wizarding World once more with this stunning new masterpiece from New York Times best-selling paper engineer Matthew Reinhart. This exhilarating pop-up book invites you to relive the movie adventures of Hermione Granger, Ron Weasley, and the Boy Who Lived—Harry Potter—as you explore London’s magical Diagon Alley like never before. Inside, gorgeously intricate pop-up spreads render fan-favorite Diagon Alley establishments such as Ollivanders, Weasleys’ Wizard Wheezes, and the Leaky Cauldron, plus other locales like the Ministry of Magic and platform nine and three-quarters. Pull tabs allow fans to command the action—rescue a Ukrainian Ironbelly dragon from the depths of Gringotts, or help Harry navigate out of Knockturn Alley after a Floo powder mishap. Alongside each pop, discover facts and insights from the making of the Harry Potter films. Plus, the book opens into a displayable 3D diorama of all the pop-ups at once. Packed with amazing moments and hidden surprises, *Harry Potter: A Pop-Up Guide to Diagon Alley and Beyond* is a landmark new pop-up book guaranteed to impress Harry Potter fans everywhere.

The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and

dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet's most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik's Cube, and why all you need to defend yourself from a crocodile is a rubber band! You'll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year's most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes – both fictional and real-world – so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You'll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition. You'll also find these special pages available as free poster downloads at [guinnessworldrecords.com](http://guinnessworldrecords.com)! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day. There's only one book where you'll find so many amazing facts all in one place, and that's Guinness World Records 2018!

Marina Petrocelli's life is about as mundane as it gets for the sister of an infamous psychic/paranormal PI. Which is why she's pretty shocked when a couple of vampires try to kidnap her on her way home from work. And don't even get her started on the sexy-as-all-hell Irish dhampyre who gallantly (if somewhat drunkenly) rushes to her rescue out of nowhere, kisses the ever-lovin' crap out of her, then disappears without a trace. It's all too weird to comprehend! Quinn Connell's life is anything but mundane. As an ex-convict with a shady past and an even shadier employment history, all he has to do is obey the terms of his parole, which are exceedingly simple: get a job, and stay out of trouble. Unfortunately, getting involved with Marina is the very definition of trouble for someone like him. And, as it turns out, her sister is the only employer in town willing to hire him. Quinn's head tells him Marina's officially off limits. Too bad his heart-and body, which can't seem to stop touching her-didn't get the memo. But when Quinn and Marina find themselves in the middle of a brutal life-or-death situation, Quinn knows keeping his distance and staying out of trouble is no longer an option. He'll do anything to keep Marina safe, even if it means relying on a few of his quirky (and sometimes scary) new coworkers and utilizing the very same dubious skills that landed him in prison in the first place. Nab the bad guys, stay out of prison, and (hopefully) get the girl. Easy, right? Yeah, not so much.
