He Leadeth Me by Ciszek, Walter J., Flaherty, Daniel---
Loyola Press just published a collection of writings by Walter J. Ciszek, SJ. If you recognize that name, it ' s because Ciszek, a Jesuit priest, survived 23 years in Russian prisons and labor camps, was presumed dead, but then returned to the U.S. in a prisoner exchange in 1963. He wrote about his experiences in With God in Russia, a book well-received and widely read. He followed that with a ...

The author details his years in Soviet prisons and labor camps and describes how his faith and prayer gave him the courage to handle the hardships of imprisonment.

A deeply personal story of one man ' s spiritual odyssey and the unflagging faith which enabled him to survive the ordeal that wrenched his body and spirit to near collapse. Captured by a Russian army during World War II and convicted of being a " Vatican spy, " Jesuit Father Walter J. Ciszek spent some 23 agonizing years in Soviet prisons and the labor camps of Siberia. He here recalls how it was only through an utter reliance on God ' s will that he managed to endure. He tells of the courage he found in prayer—a courage that eased the loneliness, the pain, the frustration, the anguish, the fears, the despair. For, as Ciszek relates, the solace of spiritual contemplation gave him an inner serenity upon which he was able to draw amidst the " arrogance of evil " that surrounded him. Learning to accept even the inhuman work of toiling in the infamous Siberian salt mines as a labor pleasing to God, he was able to turn the adverse forces of circumstance into a source of positive value and a means of drawing closer to the compassionate and never-forsaking Divine Spirit. He Leadeth Me is a book to inspire all Christians to greater faith and trust in God—even in their darkest hour. For, as the author asks, " What can ultimately trouble the soul that accepts every moment of every day as a gift from the hands of God and strives always to do his will? "

Father Walter Ciszek, S.J., author of the best-selling He Leadeth Me, tells here the gripping, astounding story of his twenty-three years in Russian prison camps in Siberia, how he was falsely imprisoned as an "American spy", the incredible rigors of daily life as a prisoner, and his extraordinary faith in God and commitment to his priestly vows and vocation. He said Mass under cover, in constant danger of death. He heard confession of hundreds who could have betrayed him; he aided spiritually many who could have gained by exposing him. This is a remarkable story of personal experience. It would be difficult to write fiction that could honestly portray the heroic patience, endurance, fortitude and complete trust in God lived by Fr. Walter Ciszek, S.J.

In 1963, following twenty-three years of hard labor and abuse in Russian prison camps, Walter J. Ciszek, S.J., finally returned to America. Had he come back a bitter man, or a man of diminished faith, it would have been hard to fault him. But he didn ' t. For the remainder of his years, until his death in 1984, Fr. Ciszek ' s grace, faith, and wisdom touched—often in profound and lasting ways—everyone who came into contact with him. With God in America is a collection of previously unpublished writings on Ciszek ' s post-imprisonment life and thoughts. The contents—which include articles he wrote, speeches he delivered at retreats, letters he sent to people he was counseling, and interviews with individuals who knew him personally—present a man unbroken by all that he had endured and eager to share God ' s love with others. From Ciszek ' s first days back home in the States to his final words before his death, With God in America demonstrates that saintliness isn ' t primarily about acting heroically in dramatic or devastating circumstances, but about honoring the ordinary, everyday aspects of life as treasured gifts from God.

SURRENDER - JESUIT PRIEST/SOVIET PRISONER SURRENDER is the true story of the vocation of an American Jesuit priest, accused by the Soviet era K.G.B. of being a Vatican spy, who survived fifteen years of hard labor in Siberian prison camps. Father Walter Ciszek not only survived but learned to surrender to God ' s Providence. SURRENDER is a narrative digest based entirely on Father Ciszek ' s two books: With God in Russia, (1964), published one year after his release from Russia, and his second book, He Leadeth Me, (1973), published nine years later. SURRENDER interweaves these two books and telescopes the most dramatic events of Father Ciszek ' s vocation and steadfast fidelity to that calling through the crucible of unjust imprisonment following the end of World War II. Hopefully, through the relative brevity of SURRENDER, the major chords of Father Ciszek ' s heroic embrace of God ' s Providence in the most extreme conditions will resonate. The reason why Father Ciszek ' s cause for Canonization, the process of declaration of Sainthood in the Roman Catholic Church, is currently proceeding should be abundantly evident. SURRENDER describes not the triumph of human will-power but the freedom of total dependence on God. The paradox of power to love is only born in the powerlessness of surrender of self-will to God ' s Providence.

To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and Happy Are You Poor explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubay gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.

A great Catholic theologian speaks from the heart about the Heart of Christ, in a profound and lyrical meditation on Our Lord's love for his Bride the Church.

We had to do it. We had to reprint this book. Rarely has a book had such an impact on so many of us here at Ignatius Press. It is one of the most powerful and moving books we have come across. If you can only buy one book this season, this must be the one. Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II. Without betraying his Christian ideals, against all odds, and in the face of Evil, Gereon Goldmann was able to complete his priestly training, be ordained, and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war. How it all came to pass will astound you. Father Goldmann tells of his own incredible experiences of the trials of war, his many escapes from almost certain death, and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith. What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love, prayer, faith, and sacrifice. Illustrated

This enduring work of Russian spirituality has charmed countless people with its tale of a nineteenth-century peasant's quest for the secret of prayer. Readers follow this anonymous pilgrim as he treks over the Steppes in search of the answer to the one compelling question: How does one pray constantly? Through his journeys, and under the tutelage of a spiritual father, he becomes gradually more open to the promptings of God, and sees joy and plenty wherever he goes. Ultimately, he discovers the different meanings and methods of prayer as he travels to his ultimate destination, Jerusalem. The Way of a Pilgrim is a humble story ripe for renewed application today. The recent changes in Russia have revealed the great religious traditions of that land, and this work, freshly translated for modern times, is among the finest examples of those centuries-old traditions.
