and International bestselling author of The Club Series and Ball Peen Hammer comes a sexy standalone romance: Captain. It wasn't the way this kind of story was supposed to go . . . Insta-love isn't supposed to turn into insta-hate. But that's exactly what happened when the hot-as-hell dreamboat I met in a bar turned out to be a lying, cheating scumbag-player-douche looking for nothing but a little side action. Jerk. And he has the nerve to call me a liar and a "sociopath"? Assh*le. And now, three months later, through a mind-blowing series of events I couldn't have predicted in a million years, it turns out my boss is marrying his sister in Hawaii and I've got to play nice with him for an entire freaking week. Okay, sure, I'll put on a happy face this week and act like I've never even met the jerk before--did I

mention his sister is marrying my boss?--but that doesn't mean I'll like it. And it certainly doesn't mean I'll stop secretly hating the cocky bastard's guts. Because I do. I hate him. I really do. I just wish my brain would explain the situation to my body . . . because every time he flashes that panty-melting smile at me, it takes all my self-restraint not to jump the bastard's hot-as-f*ck bones. *For fans of Ball Peen Hammer and The Club Series, please note Captain features Ryan Morgan and takes place one year before the events of Ball Peen Hammer. It also includes characters from both Ball Peen Hammer and The Club Series, though Captain is a complete standalone with no prior reading is required.

series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED* From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the

Canyon. When he comes of age and is forbidden by his father to try out for the King ' s Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King ' s Court and be taken seriously. But King ' s Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King ' s Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king ' s

daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations,

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it

soon becomes apparent that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

Brianna McGraw ventures out West to find and rescue her brother from bandits who will sell him illegally to the highest bidder. Separated after they were orphaned a few years ago, Brianna has worked hard as a librarian to save money for the trip.

But when she arrives, she realizes she has to somehow come up with a thousand dollars to buy him back. She then sees a wanted poster with a sufficient reward and decides to become a bounty hunter, accomplishing two good deeds at once--bringing a criminal to justice and saving her brother. Trey Morgan's renegade days are long over. He is at home on his ranch, tending to his cattle, when Brianna appears and arrests him. He is more amused than concerned, wondering how she thinks she's going to drag him 900 miles through the mountains. To his surprise, Brianna proves over and over again that she is intelligent and strong enough to make the long and grueling trip. While he quietly observes his beautiful captor, his discomfort grows when she begins to

win more and more of his respect and admiration. Soon, the threat his beautiful captor holds over him is not so much in the pistol she wields, but the lasso she has firmly fastened over his heart.
