Practical Fundraising for Practically Everybody *Are you a volunteer with an organization, school, or project that needs to raise money? The Accidental Fundraiser is a how-to resource that guides you through the process of raising money from your community. The book presents eleven proven fundraising strategies that are easy to carry out and don't require significant funds, large numbers of people, or extensive knowledge of fundraising. The authors, Stephanie Roth and Mimi Ho, show how to choose the right fundraising strategy (from house parties to bowl-a-thons) and include step-by-step instructions for carrying out all of the activities. In addition, The Accidental Fundraiser contains a wealth of worksheets and practical tips. Praise for The Accidental Fundraiser "The Accidental Fundraiser fills a big gap on my shelf of indispensable books on fundraising. I've been waiting for years for someone to write this book, so I could stop hemming and hawing when people ask me how to raise money for their PTA or local theater group. Stephanie Roth and Mimi Ho have produced a common-sense, down-to-earth guide that's based on years of solid experience in grassroots fundraising. It's easy to read and full of forms and checklists that will show the most inexperienced fundraiser the path to success." —Mal Warwick, Mal Warwick & Associates "The Accidental Fundraiser is a quick and easy guide for the unsophisticated fundraising volunteer (like me!). The examples in each of the fundraising strategies were specific and realistic and the forms were quite useful. Fundraising can be an uncomfortable and sometimes overwhelming task but the book gives a clear process to follow that will give confidence to even the fundraising novice." —Susan Shub, PTA treasurer, Montclair Elementary School ! "The Accidental Fundraiser is like a cookbook, complete with step-by-step recipes for fabulously delicious—and successful—fundraisers. It will turn the kitchen novice into a gourmet fundraiser." —Robby Rodriguez, executive director, Southwest Organizing Project "The Accidental Fundraiser is a testimonial that people find a way to make a difference—even if it only starts with a car wash or a garage sale. Buy it and remind yourself: anything is possible." —Pilar Gonzales, president, Changemakers Foundation*

Renowned securities attorney Kim Lisa Taylor provides the keys to legally raising money from private investors - whether for real estate or other small business. She provides a simple step-by-step format to teach you to not only raise money, but to do it legally. You'll learn how to raise all the money you need for your next venture, whether it's funding a real estate acquisition, a new idea, a product or a service - all while keeping control of your business. Some call this driver's ed for raising capital, because once you know the rules of the road and how to drive, it becomes second nature. So it is with raising capital. This book will help teach you to structure deals with investors and legally raise funds for any venture. With this knowledge, you can change your life and the lives of those who matter - family, friends, and new investors you'll meet along your journey. What are you waiting for? In this book you will learn: How to Comply with Securities Laws; How to Effectively Market Your Offering; How to Legally Ask Investors for Money; How to Structure Your Company; and How You Can Earn Money While Helping Your Friends, Family, and Acquaintances Meet Their Investment Goals. You can use these strategies over and over to Raise Private Money Legally, Ethically, and Profitably.

Discusses how community organizations can raise money from members, supporters, and the public, and outlines how to put on fund-raising events

Teaches how best to finance a business no matter the size, including doing less with more in the early stages, growth financing, and alternatives to traditional financing.

Fund and Fuel Your Dreams! You're an entrepreneur with a great idea. But your business needs money. So, do you max out your credit cards, borrow from friends and family, and do everything yourself? Or do you make a devil's bargain with some venture capitalist who'll demand a tenfold return and could easily take your business out from under you? No and no! You don't have to bootstrap, and you don't have to sell out! Jenny Kassan says the landscape of investment capital is far larger and more diverse than most people realize. She illuminates the vast range of capital-raising strategies available to mission-driven entrepreneurs and provides a six-step process for finding and enlisting investors who are a match with your personal goals and aspirations. The plan you create will inspire you, excite you, and help you achieve your dreams!

The Generosity Network is the essential guide to the art of activating resources of every kind behind any worthy cause. Philanthropist Jeff Walker and fund-raising expert Jennifer McCrea offer a fresh new perspective that can make the toughest challenges of nonprofit management and development less stressful, more rewarding—and even fun. Walker and McCrea show how traditional pre-scripted, money-centered, goal-oriented fund-raising techniques lead to anxiety and failure, while open-spirited, curiosity-driven, person-to-person connections lead to discovery, growth—and often amazing results. Through engrossing personal stories, a wealth of innovative suggestions, and inspiring examples, they show nonprofit leaders how to build a community of engaged partners who share a common passion and are eager to provide the resources needed to change the world—not just money, but also time, talents, personal networks, creative thinking, public support, and all the other forms of social capital that often seem scanty yet are really abundant, waiting to be uncovered and mobilized. Highly practical, motivating, and thought provoking, The Generosity Network is designed to energize and empower nonprofit leaders, managers, donors, board members, and other supporters. Whether you help run a multimillion-dollar global nonprofit or raise funds for a local scout troop, PTA, or other community organization, you'll learn new approaches that will make your work more successful and enjoyable than ever.

This is a relatively short, but very powerful book full of fundraising ideas and insights on how to raise money. Most entrepreneurs struggle when it comes to raising money. Over time I have accumulated different practical strategies for how to raise money for a business, and I explain all of them in this book. This book evolved out of my business coaching practice and my Problemio.com business apps I created. The apps have over 500,000 downloads across iOS and Android by entrepreneurs just like you. As entrepreneurs kept asking how to raise money for their business, I kept researching new ways to raise money. In this book I compiled 10 great ways to raise money for almost any business or nonprofit organization. Not all the fundraising strategies outlined in this book will work for everyone. But many of the strategies should be very possible for most businesses. Additionally, this book goes beyond fundraising strategies. It also covers fundamentals of how much money you need to raise, and helps you understand the fundraising ecosystem, and what various strategies can mean for your business. HOW MUCH MONEY YOU NEED TO RAISE Before the book starts suggesting specific strategies, you must first understand how much money you need to raise for your business. The book explains how to calculate how much money you will need to raise so that you can structure your fundraising plans to reach your goals. STANDARD FUNDRAISING IDEAS First, I cover some common fundraising strategies like how to raise money by getting loans, grants, investments and donations. These four broad strategies are common, but most entrepreneurs don't know enough about how to get the most out of these strategies. Additionally, while people have been raising money by getting donations for a long time, there is a relatively new way to raise donations, and that is a method called crowdfunding. I explain crowdfunding strategies in the book, and give a number of tips for how to get the most out of it for your business, and what you can realistically expect. CREATIVE FUNDRAISING IDEAS Once you explore the standard ways to raise money, the book presents you with a number of creative fundraising strategies where you should use your creativity and resourcefulness to get the funds you need. I sincerely hope this collection of fundraising strategies helps you and I wish you the best of luck with your business. In addition to that, since it is difficult to raise money, the book also covers how to start your business cheaply so that you don't actually need to have as much cash to start your business as you think.

Secrets to Raising Capital is the definitive guide on how to get funding for your business. Unlike other books on raising capital, it is not a list of lenders, investment bankers and investors nor is it filled with instructions on how to value your business or the difference between angel investors and private equity funds. The content of Secrets to Raising Capital is unique. The challenge faced by the business looking to obtain funding is convincing the money source to actually make the loan or the investment. That's where Secrets to Raising Capital comes in. This easy to read, strategy filled book is packed full of insights and actionable ideas on what to do, and how to do it, to make sure your business get's the money it needs. This book contains the secrets that money guys won't tell you, and most CFOs and consultants don't know. You'll find information on what never to say to a money guy, how to handle deal killers, and how to deliver a compelling presentation. You'll also find out how you can ruin a potential funding in one sentence. Secrets to Raising Capital is packed with pages of dos, don't, how tos, rules and instructions. It's not some theoretical book from academia, but a hands-on guide with real life examples. And it's not just for early stage companies and startups. The secrets included in this book will be of value to any CEO or CFO trying to raise capital—even in larger corporations and established companies. It doesn't matter how good you think your business is, or how good a manager you are, there are hundreds of reasons why you may not be getting the funding you business. In Secrets to Raising Capital you'll discover how the money world works, and how you can raise money for your business the easiest and fastest way possible.Included for free - register on our website to connect with hundreds of funding sources.

Nonprofit leadership is messy Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an abundance of passion. It's enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn't understand its true role; insufficient fundraising and donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who's a star in her sector but a difficult boss... And yet, many nonprofits do thrive. Joan Garry's Guide to Nonprofit Leadership will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world.

Fun and engaging activity pages that reinforce the alphabet, reading, writing, phonics, math skills, and more, and prepare preschoolers for kindergarten! From the editors of Weekly Reader.
