My 7 year old loves the Humphrey books and has really enjoyed doing all the puzzles in this activity book. Nice to have a 'fun' book for his age range. There's a mixture of word searches, mazes, word games etc. They need to have a knowledge of the Humphrey characters to complete some of the puzzles.

Presents a collection of puzzles, jokes, and brain teasers that star Humphrey, the classroom hamster from Room 26 at Longfellow School.

Amazing activities and rollicking riddles from everybody's favourite hamster - Humphrey! Dear friends, I LOVE-LOVE-LOVE being the classroom hamster in Room 26, Longfellow School. I've learned a lot about reading, writing, maths and making friends ... and I've had amazing adventures in and out of my cage, too. But I also love solving puzzles and riddles in the tiny notebook I keep hidden in my cage. They're not always easy but if I wiggle my whiskers and scratch my furry head for a while, I usually can solve them. I'm sharing some of my favourites in this fun-filled book so you can find out if you're as smart as a hamster! (I'll bet you are.) Your puzzle-loving pal, Humphrey

Amazing activities and rollicking riddles from everybody's favourite hamster - Humphrey!

Humphrey, the pet hamster of Longfellow School's Room 26, provides facts, puzzles and other information about different animals and pet care for prospective pet owners.

Humphrey the hamster and the students in Mrs. Brisbane's class get ready for the holidays and a special Winter Wonderland program.

When summer arrives, Humphrey, the pet hamster of Longfellow School's Room 26, is surprised and pleased to learn that he will be going to Camp Happy Hollow.

Humphrey the hamster is puzzled when unfamiliar students fill Mrs. Brisbane's classroom at summer's end, but he soon learns that his friends from last year are fine and that the new class needs his special help. Available in hardcover and paperback reprint.

Humphrey is back in his tenth adventure in the beloved middle-grade series! So many secrets are flying around Room 26 that Humphrey can barely keep track. Mrs. Brisbane knows a student is leaving, but Humphrey can't figure out which one. (Even more confusing, Mrs. Brisbane seems unsqueakably happy about it.) The class is studying the Ancient Egyptians, and some of the kids have made up secret clubs and secret codes. Even Aldo is holding back news from Humphrey. Humphrey's job as classroom pet is to help his humans solve their problems, but all these secrets are making it HARD-HARD-HARD!

The first book in the series about everyone's favorite classroom pet! You can learn a lot about life by observing another species. That's what Humphrey was told when he was first brought to Room 26. And boy, is it true! In addition to having FUN-FUN-FUN in class, each weekend this amazing hamster gets to sleep over with a different student,

like Lower-Your-Voice-A.J. and Speak-Up-Sayeh. Soon Humphrey learns to read, write, and even shoot rubber bands (only in self-defense, of course). With lots of friends to help, adventures to enjoy, and a cage with a lock-that-doesn't- lock, Humphrey's life is almost perfect. If only the teacher, Mrs. Brisbane, wasn't out to get him! Boys and girls can't help falling in love with Humphrey! Kids will be eager to get their paws on all 12 books in the series!

Humphrey's eleventh adventure celebrates stories, writing, and the power of the imagination! Imaginations are running wild in Mrs. Brisbane's class, but Humphrey is stumped. His friends are writing about where they would go if they could fly, but Humphrey is HAPPY-HAPPY-HAPPY right where he is in Room 26. It's pawsitively easy for Humphrey to picture exciting adventures with dragons and knights in the story Mrs. Brisbane is reading aloud. He has no trouble coming up with Plans to help his friends and tricks to entertain them. His imagination even goes a little too far when he wonders if Carlos's imaginary friend might be a ghost. If only his imagination wouldn't disappear when he tries to write. Luckily, Humphrey likes a challenge, and Mrs. Brisbane has lots of writing tips that do the trick.
