1. Read the question carefully. Many students fail to answer the actual question set. Perhaps they misread the question or answer a similar question they have seen before. Read the question once right through and then again more slowly. Some students underline or highlight key words in the question as they read it through.

Igcse Physics Paper 1 Tips - webdisk.bajanusa.com
Step 1, Throw out previous thinking. Forget about the classic 'listen to your teacher, do your work, work consistently' strategy. Instead, think long term. Relax, enjoy and have fun throughout the year. There is really no need to work your butt off for the internal examinations or try to impress your teachers because, in the IGCSEs, "only the boards matter!".Step 2, Do your homework consistently during the year. [1] X Research source When you do homework, you can test what you know on each ...
