Luenberger does an incredible job of leaving significant holes in his lessons. In addition to this, many of his examples contain seemingly obvious errors. I have no doubt that he is an intelligent man and an expert in the field of Investment Science, but I confidently claim that he is a terrible educator and author.

Amazon.com: Investment Science (9780199740086)-Luenberger---

'Investment Science is a wonderful textbook treatment of investment theory for the quantitatively-minded undergraduate or masters student. This book is typical of David Luenberger's uncanny way of simplifying complex technical material without loss of rigor. He divides and conquers the
