development of adults as they leave adolescence and move through their adult years until the end of life.

Bjorklund, Journey of Adulthood, 9th Edition | Pearson
For Barbara Bjorklund, the subject matter in Journey of Adulthood 6e has never been far from home: as a middle-aged adult who is on this very journey along with her husband, looking ahead toward their parents who are in late adulthood and back toward their children who are making their own way through adulthood, she has found that there is always room to learn - always room to grow.
