~~Just One Wish Janette Rallison~~

Just One Wish, while I wouldn't put it on my favorite list, was incredibly cute and entertaining to read. The adventure of Annika trying to get in touch with Steve Raleigh, and the mishaps that follow were so easily laughable. But while I enjoyed it, I was kind of disappointed at the same time.

This is the third book by Janette Rallison I've read and it's just as entertaining as the others. Just One Wish is a quick read, made even quicker by the fact that I couldn't put it down until the last page was turned. Annika is endearing and her exploits to get Jeremy the "real" Robin Hood are hilarious.

Just one wish ist ein wunderbarer Roman. Der Humor von Janette Rallison ist einfach der Hammer. Trotzdem gelingt es ihr, dass die Romantik nicht zu kurz kommt Und der Roman auch ernste und berührende Momente bietet. Die Charaktere sind durchweg sympathisch, so dass ich sie alle schnell ins Herz geschlossen habe. Annika ist eine tolle ...

Just One Wish by Janette Rallison 8 of 10: Perfect light reading - funny and clean, with a nice romance. I loved every crazy second of Just One Wish about a girl determined to make her six-year-old brother's dream of meeting his hero (Robin Hood) come true before he goes in for surgery. This is one of those books where the cover put me off.

If you're new to Janette Rallison/CJ Hill books, the reason I wrote two versions for the end of this series is that . 1) Despite that saying that you can't make everybody happy, I still try. 2) I told my then-teenage daughter I would write a Dirk version for her because she's been Team Dirk since the first book. 3) I'm bad at decisions and I never really decided who Tori should end up ...

This book was a little different from some of Janette Rallison's other books because there was a bittersweet element to it. There's still the romantic, fun side of the book, but because it also deals with her little brother's sickness, this book reaches an even higher level of emotion and goes deeper than some of her others.

Having already read books by Janette Rallison I had high hopes for this book and it didn't disappoint. Although some of the situations that Annika got herself into were a little far fetched I loved the book. Just One Wish had me going from laughing to crying of laughter to actually crying and back around again. Would definitely recommend this book to my friends Heather

When your chance for getting into college and your date for the prom are all on the line... Sixteen-year-old Samantha Taylor is used to having things go her way. She's head cheerleader and has all the right friends and a steady stream of boyfriends. But when she tanks the SATs, her automatic assumptions about going to college don't appear to be so automatic anymore. She determines that her only hope for college admission is to win the election for student body president. Unfortunately, with her razor wit and acid tongue, she's better suited to dishing out insults than winning votes. When she brashly bets her classmate Logan that she can go two weeks without uttering a single insult, Samantha immediately realizes that she may have bitten off more than she can chew. And when her current boyfriend dumps her, less than three weeks before the prom, it couldn't be a worse time to be forced to keep her opinions to herself. Finding a new boyfriend will be a challenge now that Logan shadows her every move, hoping to catch her slipping back into her old ways. Samantha is determined to win the election and find a dream date for the prom, no matter what it takes. After all . . . all's fair in love and war (and high school!).
