The third generation Nissan Micra (internally known as K12) presented itself as a very appealing proposition in the small car segment when it debuted back in 2002 at the Paris Motor Show. The car entered the European market in 2003 and its main advantages were frugality, value for money and a broad range of equipment.

Nissan Micra (K12) review, problems, specs
I've been looking at 03-plate Nissan Micra, Peugeot 206, Renault Clio and Ford Fiesta. Anything small and nippy, mainly for short trips and around town. Any suggestions?*" With a small budget, I'd be looking for a Ford Fiesta, Nissan Micra or Toyota Yaris - all are tough little cars and there are plenty around. Don't concentrate too much on a specific model, though. You'd be better buying ...

Used Nissan micra breaking for sale | Car Parts | Gumtree
Is the Nissan Micra good to drive? Unsurprisingly given the underpinnings, the K14 Micra doesn't feel all that dissimilar to the Renault Clio, although the lightness of its controls - something that won it many fans in earlier guises - is still present, if not to the same degree as before. This is a supermini that's far happier being driven gently around town than it is plying ...

Steering Gear for NISSAN MICRA III K12 - high quality parts
The Nissan's most popular engine - the 100 horsepower 1.0-litre petrol unit - is impressively fuel efficient, while the Micra sits in a lower insurance group than some rivals. The Micra will likely cost you more than the Fiesta in servicing and maintenance, however, and over a long-term period of ownership that will give the Fiesta a slight edge in overall running costs.

Nissan Micra - Micra k12 2005 1.2 petrol power steering failed - edlithgow : I was at school at the time, and remember the episode mostly for a rude topical song in playground circulation. Forum members of a certain age may remember it. Went to the tune of "On Top of Old Smokey", but perhaps that was only in Scotland. Oswald Moseley featured, probably mostly for the ryme. Never thought about ...
